City-Sub-dividers Closer

Firemen Start Their Ticket Sale

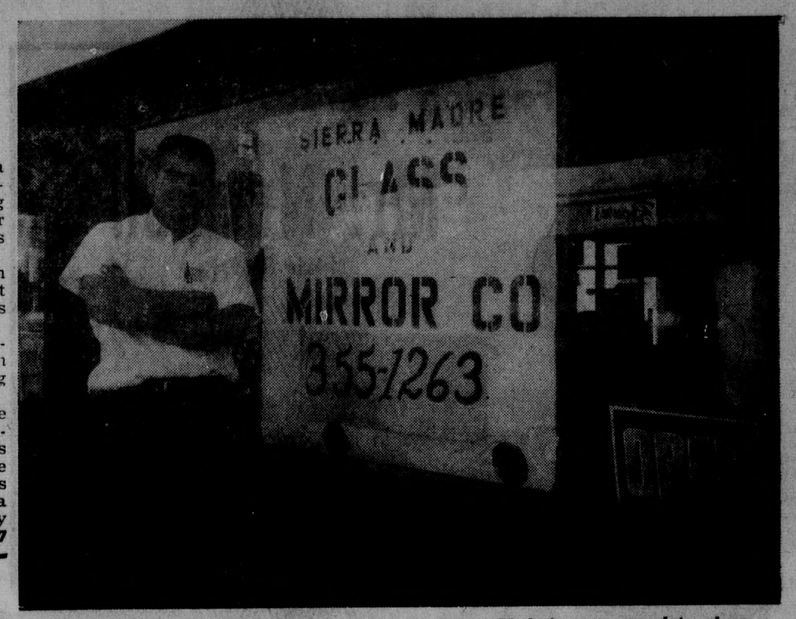

Members of the Sierra Madre Volunteer Fire Department will be starting their ticket selling early for their annual Christmas dance this year.

The dance will be held on Saturday, December 11, at the Sierra Madre Woman's Club House.

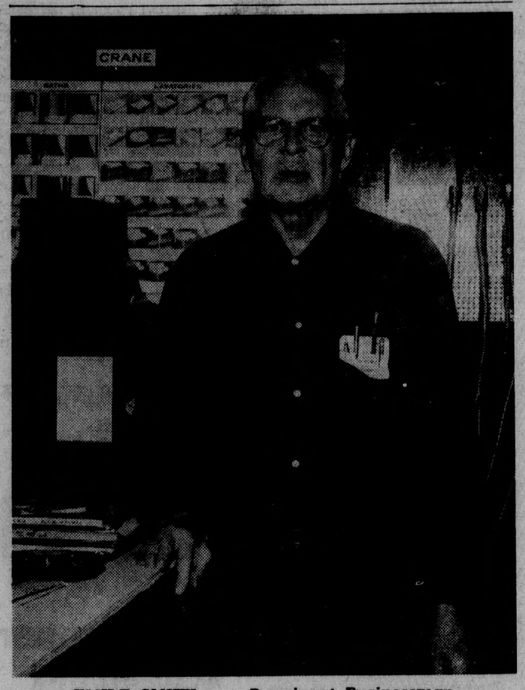

Tickets are being distributed and territories taken so that the door bell ringing can start earlier this year.

The purpose of this dance which has been held annually for almost 45 years is to raise money for the children's annual Christmas Eve Party in which Santa Claus arrives at the city

Disagreement Closes Ranks Only Three Lots Remain

★ ★ ★ ★

Petition To Withhold Interceptor Ditch Payment Ignored; $4650 Paid

★ ★ ★ ★

Three members of the City Council, constituting a quorum met in adjourned session at Lot 1 of the Sierra Madre Estates together with the City Engineer, Bevington, Assistant Engineer, Adams, City Clerk, Warfel, and City Attorney, Martin, at 2 p.m. Tuesday.

They in turn were met by G. Norman Kennedy, Attorney for Sierra Madre Estates; Frank Arciero and Henry Neutzel, two of the partners of the Estates, and Jim Stacy, representing the worker of the Aribtration Agreement Award.

Previous to the meeting a petition with some 140 to 150 signers, was presented to the Council, which asked that no money be paid from City Funds on the interceptor ditch. This petition was made known to the Council, then in session.

The Council was presented a certification that the interceptor ditch was satisfactorily completed, and upon returning to the City Hall, and listening to the tapes, Mayor Abernethy signed the check at approximately 4:30; the Treasurer, Swartz, did likewise and Mr. Jim Stacy accepted the $4650 as the city's share of the indebtedness.

HAPPY BIRTHDAY

Fifty-nine years ago November 4 came forth in this grand and glorious town a newspaper known then as the Sierra Madre News, and through sweat, tears, disappointments, progress, joy and growth, today maintains its status as the voice of Sierra Madre.

Many years have passed since Mr. R. T. Cowles, established and became the first editor of this newspaper. Many editors and publishers have tried their time at its helm in the past 59 years, some Democratic and some Republican, but they have all left their mark as the years rolled away.

This was not Sierra Madre's first newspaper, as we have on file the first newspaper called the Sierra Madre Vita, started during the year 1888. Later it dropped to the wayside and a new newspaper was established called the Sierra Madre Tribune, which according to records lasted but a very few months and went out of existence in 1905.

A paragraph from the front page of the first issue, was as true then as it is today . . . We quote: "The editor does not believe that any apology is needed to the offering of this newspaper to Sierra Madreans. The need for a local newspaper is felt in every town and up to the present this need has not been supplied in Sierra Madre. The Sierra Madre News is here to stay." Fifty-nine years later we can only add . . . "How true, how true. I hope, I hope, I hope."

Royalty To Be In Sierra Madre

It isn't too often that the little community of Sierra Madre is honored with royalty, but by now everybody that is not a confirmed hermit knows that Her Royal Highness Princess Margaret will be in Sierra Madre at approximately 11:15 a.m., Tuesday, November 9.

Her Royal Highness Princess Margaret is here to visit the British Home, which is maintained by the British Government, and its residents.

Mayor James F. Abernethy will be the only person outside of the British Home that will be presented to the Princess, due to security reasons.

This newspaper was granted picture rights, but because of the time limitation to prepare them for that week's issue we will be unable to take advantage of the offer, but we would like to take this opportunity to welcome Her Royal Highness Princess Margaret to our community.

Nursery School Presents Bob Baker Marionettes

Sierra Madre Community Nursery School Association cordially invites the public to attend its third annual presentation of Bob Baker Marionettes on Saturday, Nov. 6. There will be two showings—1 p.m. and 3 p.m. —in Pritchard Hall, Sierra Madre Congregational Church.

Tickets may be obtained, for a donation of $1 each, by calling 355-8159 or 359-1867.

Ways and means chairmen, Mr. and Mrs. Don Hodgdon, state that the proceeds from this event will go toward the purchase of new play equipment and the general upkeep and improvement of our Community Nursery School buildings and grounds.

The Bob Baker Marionettes, featured yearly at the Laguna Festival of the Arts, are well known for their many motion picture and television appearances. Celebrities continually request the troupe to entertain them at private parties.

Unequaled craftsmanship, with minute attention to every detail, is necessary to the Bob Baker Marionettes presentations, since the puppets appear "in-the-round." Audiences are seated on three sides of the stage so that both the marionettes and the manipulators are visible to the spectators.

Parents and grandparents are certain to enjoy this en-

Bill Harriman Opens New Glass, Mirror Co. In Town

When Junior throws a good southpaw curve and breaks your window, or the neighbor's, or those mysterious "sonic booms" put an unbecoming crack in your picture plate glass, do not despair, call Bill Harriman, he'll have your temper and the glass back in shape in no time.

Bill is the owner and manager of Sierra Madre's own complete glass and mirror shop, located at 314 W. Sierra Madre Blvd., and he is proudly announcing the grand opening of his new shop, A well qualified person to handle the community needs in this field, Bill has had 23 years experience in the glass business, 11 of those years in the San Gabriel Valley.

Last March Bill opened and managed a glass department in connection with Griffin Lumber Company on Montecito. His business grew and the demand was such for this type of business that now Bill has ventured out on his own in the new location.

The charming redhead that greets you so warmly at the shop is Bill's wife, Connie, who is practically a native of Sierra Madre, having lived here since she was four years old. This nice couple reside at 314 W. Sierra Madre Blvd. with their four children, Colleen, Dor-

Emile E. Smith

Sierra Madre Loses First Businessman In Some Years

Sierra Madreans were deeply saddened Thursday, in losing their first businessman in the past four or five years, when it was learned that Emile E. Smith, age 65, passed away early Thursday morning after a lengthy and agonizing illness.

Emile was a beloved, under cover quiet businessman, one who had accomplished many things for many people without fanfare or public acknowledgement. Although a very busy man in his day's work, Emile never failed to stop and listen to your problems, offering advice and personal help.

Emile came to California from the state of Connecticut 44 years ago, and when arriving in California came direct to Sierra Madre. Many of his friends will remember him in a newsstand business venture and later very prominent in the partnership of the Sierra Madre Hardware and with the disillusionment of this partnership, for the past couple of years with his dear wife in the Sierra Madre Plumbing Company.

Emile resided with his wife, Madeline, at 333 N. Sunnyside and leaves to mourn his passing, besides his wife, a son, Raymond H. Smith of Sierra Madre; a brother, Leo Smith, of San Clemente, and a sister, Mrs. Alvin Finn of Arcadia.

Emile was laid to rest Saturday, Oct. 30, services being held at 2 p.m. at the Episcopal Church of the Ascension with Rev. Harley G. Smith officiating.

Interment was in Live Oak Cemetery, Monrovia, with the Ripple Mortuary of Sierra Madre in charge of arrangements.

Wife Madeline requested that in lieu of flowers that those wishing could donate to the Sierra Madre Search and Rescue Team in memory of her dear departed husband who thought so much of their work.

Pool Heater Causes Fire

The local fire department was called at 3:25 Monday afternoon to the home of E. F. Schmidt at 475 Fairview, where it was found that a gas pool heater was in flames.

Residents were not at home at the time, but quick action of the department in shutting off the gas and electricity and quickly extinguishing the blaze resulted in only the house holding the pool heater being destroyed and the fence in back being charred.

PERMITS MAY HIT 3-MILLION

It is estimated that the valuation of building permits in Sierra Madre for this year will reach the $3 million mark by the end of the year.

Total number of building permits issued for the month of October were 26, with a valuation of $130,908.99. This included four single dwelling units valued at $97,500.

A comparison of valuation for the first ten months of this year and the same period of 1964 show: $2,662,745.99 for 1965, and $1,804,698 for 1964, this is an increase of more than $858,000 over the previous year's total.

Street, electrical and plumbing permits issued were 68 with fees collected of $521.50. Plan check and permit fees amounted to $749.25.

Business licenses for October amounted to $571.75. Dog licenses, 25 with fees of $103.50; and bike licenses, $12.

Window Painting Contest Lists Winners

The winners of the Sierra Madre Halloween window painting contest were announced by Phyllis Bennet, chairman, and Dick Dodge, director of Parks and Recreation.

The Chamber of Commerce awarded to Sandra Jones a $10 gift certificate for placing first. Her group painted the window at Mike's Barbershop, 27 W. Sierra Madre Blvd. A $7 gift certificate was awarded to Doreen Licher for winning second place. Doreen and her group painted a window at Youngland's, 31 W. Sierra Madre Blvd.

For third place, a $3 gift certiifcate was awarded to Mary Ellen Kromka, who decorated Garlands, at 5 Kersting Court.

Those receiving honorable mentions were: Laura Hernandez, Music for Everyone; Barbara Wilson, Sierra Madre Paint and Wallpaper; Debbie Denison, Foothill T.V. Cable Company.

There were 51 windows painted in the contest, and 152 youngsters participating.

Each of the winning stores will receive an 8x10 colored photo of their window.

Early Fire Guts Store

The Pasadena Fire Department in quick response at approximately 4:25 a.m. Thursday morning averted what could have been a disasterous fire in the Upper Hastings Ranch Shopping Center when the building occupied by the Hastings Delicatessen was completely gutted by fire.

Other stores along the line were saved from fire damage, receiving only smoke.

$1 To $100 Urgently Needed

Rescue Team Fund Drive Near One-Half Mark

The drive for funds to keep the Sierra Madre Search and Rescue Team alive and active seems to have bogged down, when this week it was discovered that only $2,000 had been raised out of a total of $4,500 needed.

Missing this year are the century note contributors who seemed so plentiful last year when a total of over $4,000 was raised.

Although it is never too late to contribute to this worthy team, we must call the drive to a halt with the issue of November 18. Therefore, please do all in your power to send in your contributions to the Sierra Madre Chamber of Commerce before or by that date. If you desire, you may send them to the Sierra Madre News, or hand them to any member of the Search and Rescue team. But please do it today.

Following is the list of contributors to reach the News Office to date:

Toy Loan Chosen Current Club Year Chief Philanthropy

Sierra Madre Toy Loan was chosen as the chief philanthropy for the current club year when a meeting of the Sierra Madre Civic Club, CFWC, was held on Thursday, October 28 at the Parkhouse. Mrs. Frank J. Ross is philanthropy chairman.

President Mrs. Richard Jones, conducted the business meeting at which time it was also voted to send to the Sierra Madre Search and Rescue Team, a donation of $25.

Dirk Ten Grotenhuis of the Bank of America spoke to the group, choosing as his topic, "Investments for Women" which was enthusiastically received. Mr. Ten Grotenhuis answered many questions asked by the members.

Hostesses for the meeting were Mrs. J. Bryce Tyler and Mrs. John Wilson.

The club's annual Halloween party was held on Saturday evening, October 30, in the Sierra Madre home of Mr. and Mrs. Richard J. Armstrong.

Your Tax Bills Are Now Due

If you own real estate within the County of Los Angeles, your property taxes are due and payable on November 1, 1965. Harold J. Ostly mailed 1,393,012 tax bills on November 1. If you do not receive a tax bill by November 10 or if you have any questions about your bill, call MAdison 6-6311.

The following schedule shows the number of real estate tax bills and the amount of property taxes for fiscal year 1965-66 compared with fiscal year 1964-65:

Total real estate tax ,including county schools, cities (except Long Beach and Pasadena), Flood Control, Metro Water District, and other special districts, $1073,283,383, for 1964-65, and $1,115,682,053, for 1965-66; total tax bills issues, 1,792,392 for 1964-65, and 1,803,004 for 1965-66.

Large corporations, utility companies, and other owners of multiple parcels of real estate cooperate with the Tax Collector by picking up a total of 371,218 tax bills, thereby saving the county postage charges.

The remaining 38,774 tax bills are without a mailing address and must be picked up by the taxpayer.

Airman M. D. Gail In Philippines

Airman Third Class Michael D. Gail, son of Mrs. Madeleine G. Gail of 585 Sierra Madre Blvd., Sierra Madre, has been graduated at Lowry AFB, Colo., from the training course for U.S. Air Force photographers.

Airman Gail, a graduate of Temple City High School, is being reassigned to Clark AB, Philippines, for duty with the Pacific Air Forces.

The airman has an A.A. degree from Pasadena City College.

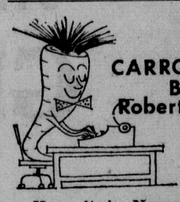

Sierra Madre Estates Gets Vandalism

Vandalism still seems to raise its ugly head, and although it had the excuse of Halloween as the time to play pranks, the type of damage done was certainly not that of the small fry, and is hard to believe, could have been accomplished by teenagers.

Sierra Madre Estates, again bore the brunt of the damage. As reported to the Sierra Madre News, sometime during the time of Saturday evening and Monday morning 26 newly planted trees were completely cut with a sharp knife. These trees were paid for by the subdividers in their agreement and now must be replacer at the city taxpayers' expense.

This not being sufficient, they proceeded to cut the plastic hose of the sprinkling system in some five

——Please turn to Page 5

Here it is November and we have gained back that hour that we lost last April.

Personally I do not know how it affected you, but after looking forward to gaining that hour for the past month, when the time came to really gain it and get that extra hour of sleep, my eyes popped open and I had the feeling that I was ten or fifteen minutes late.

—CT—

By the time I realized that we were now off daylight savings time, I was too wide awake to go back to sleep and save the best of thirty minutes. . . . Oh, well, just like the Christmas Savings Club that I joined last year . . . I accumulated $260, and now find that I am going to have to use it for property taxes . . . but it is fun to dream about it, anyway.

—CT—

By this time next year we should have some new business faces in Sierra Madre, that is, if everything goes as the financiers plan . . . of course we could lose a few also, and not only that, but there could be a great number of vacant store buildings hereabouts as the next year's plans unfold.

—CT—

Besides the Montecito-Highland and Baldwin Shopping Center that will soon come before the public for full hearing, we hear good rumors, and have seen the plans for another shopping center in the vicinity of Lima and Sierra Madre Blvd.

—CT—

Now as we count things up on our fingers, and your count is almost as good as ours, we find that around June 1, 1966, six new business houses will be added, and before the year is over, another four or five, making a total of about 11. Now as we stand today we find that after November 1, we have six vacant business potentials . . . so since I have used all of my fingers and most of my toes, I find that this totals approximately 17.

—CT—

Rumors, and they are rumors for sure, have it that a large supermarket is being considered, another cleaner, and what we need most, another coin-operated cleaner and laundry, liquor store, partial drug store, another children's wear, and, of all things, maybe another toy store . . . now these are only rumors, but the buildings are sure facts, and before the month's end you will be hearing about some of them, and by the first of the year or shortly thereafter, the rest of them.

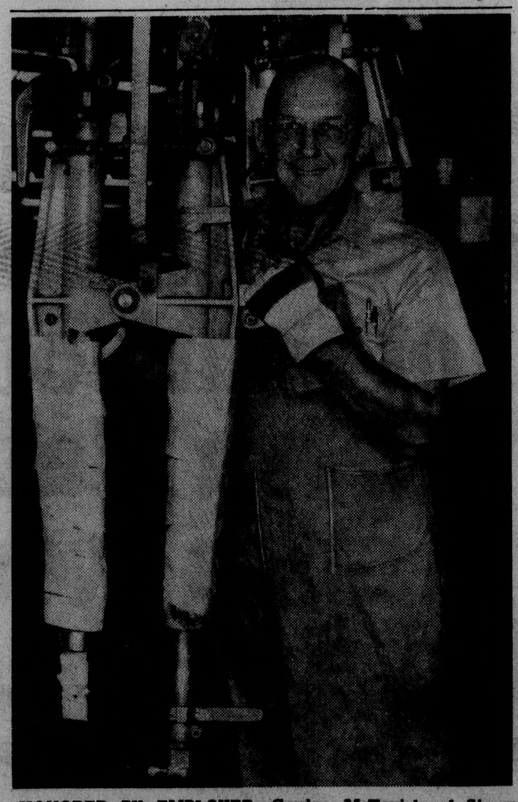

—CT—

Yep, activity for Sierra Madre should be booming from one corner to the other during the year 1966 . . . with

——Please turn to Page 10

AN ANNUAL TREK down Sierra Madre Boulevard, Baldwin and Kersting Court are the ghosts and goblins of Mamma Pete's Nursery School. Schooled in the necessity of holding on to a rope, the youngsters dressed in all the typical Halloween fashion thoroughly enjoy and look forward to this trip each year, as do the businessmen and spectators of Sierra Madre.

HONORED BY EMPLOYER—Gordon McTavish of Sierra Madre was among 31 employees honored for long service by Day & Night Manufacturing Company and The Payne Company, City of Industry, Calif. McTavish, who is employed in DNP's spot and seam welding department, was awarded an emerald pin for 20 years service.

Open Mondays & Evenings

For Mothers Of Twins Club

The Santa Anita Mothers of Twins Club will hold their semi-annual Open Meeting and Exchange, Tuesday, November 2, at the Wilshire Savings and Loan, in Monrovia. The starting time will be 7:30 p.m.

Mrs. Nadine Mashburn, exchange chairman, and Mrs. William Carter and Mrs. Ronald Young, hostesses, are expecting a large selection of twin clothes to be offered for sale. The exchange is for the benefit of all members to buy and sell twin clothing.

All members are to bring a snapshot of their twins for the Historian Book. Refreshments will be served and the new year books will be available for the members.

For information concerning the club, contact Mrs. Clifford G. Lasken, at 446-4239, or Mrs. Warren M. Forrest, at 446-2548.

ORT To Be Entertained By Local Talent

All ORT members will be entertained by local talent at their next luncheon meeting on November 10 at 11:30 a.m. Reservations may be made by calling Mrs. H. H. Shapiro, 5189 La Canada Boulevard, La Canada.

ORT is the largest non-governmental vocational agency in the world. Its students include poverty-stricken refugees, and immigrants seeking a new life and youngsters trying to build a productive, secure future.

In charge of the event is Mrs. Herbert Segall, who is being assisted by Mrs. Lawrence Krown and Mrs. Jerry-Davis.

Mrs. Sydney Swiss is the chapter president.

"Safety first" is the best form of "first" aid.

Assistance League Social and Money Raising Event

La Boutique Carousel is being presented by the Assistance League of Arcadia on Friday, November 5 from 10 a.m. to 4 p.m. This gala social and money-raising event will be held in the new community house at 100 S. Santa Anita, Arcadia, and will feature items that members of the league have been making and decorating for the past year.

Heading the activities as ways and means chairman is Mrs. Kenneth C. Norman who is serving for the second year in this capacity. As her assistant is Mrs. Ralph R. Langley. The public is invited to attend and is encouraged to support this looked-forward-to affair where Arcadians and friends from surrounding communities can meet, chat, sip coffee while shopping through the remarkable collection of unique boutique items organized through the past year.

This project, La Boutique Carousel, is designed to provide financial backing for the league's philanthropic and charitable activities during the year. The community house is maintained and is being purchased by this group for use of the Golden Age Club and other groups needing these facilities.

Not only does the league provide housing facilities for the Golden Age Club meetings, but the women serve each Thursdays of the year by pouring coffee and serving dessert to these senior citizens.

The younger generation is also ministered by this group through the Toy Loan Maxim Elementary School in El Monte where the children are permitted to borrow toys for a period of one week at a time and after ten weeks of borrowing and returning the toys in good repair an honor gift is given to the child.

Each Monday, Wednesday and Friday morning of the year League members volunteer time to take the library cart to rooms in the Arcadia Methodist Hospital at which time patients may borrow books to read while they are in bed.

The American Red Cross Blood bank in Los Angeles receives service from the members as they journey to Los Angeles to call registered blood donors to provide needed for open heart surgery. The Community Chest has also received help from the league.

Crib Crop

Mr. and Mrs. Philip Proctorof 1126 Donaldo Court, South Pasadena, are proudly announcing the birth of their first child, a husky baby born, born Monday, Nov. 1, at the Arcadia Methodist Hospital.

The new arrival has been given the name of Fregg Philip and weighed in at birth 7 pounds, 1 ounce.

Little Gregg boasts paternal grandparents, Mr. and Mrs. Hudson M. Proctor of 49 E. Alegria, and paternal great-grandfather, Mr. C. W. Jones of the same address.

Republican Club Commemorates Veterans' Day

"My Dark Days as a Counterspy" is the title of the talk to be given by Paul and Marion Miller Thursday, Nov. 11, at 8 p.m. in the auditorium of the Arcadia Methodist Hospital, 300 W. Huntington Drive, Arcadia.

The East Pasadena-Sierra Madre Republican Women's Club is presenting this meeting to commemorate Veteran's Day. Mrs. R. R. Dewees, president, invites everyone to attend, especially teenagers.

Mrs. Miller will tell of her work as a counterspy for the FBI in obtaining evidence to condemn a Communist front organization in Los Angeles. The organization was called the Los Angeles Committee for Protection of Foreign Born. Mrs. Miller will describe the results of the five years' work and when the Communist front was exposed, the harassment her family experienced.

Marion Miller has been awarded the title, "Most Decorated Woman of the Nation." She is the author of the book, "I Was a Spy." Mrs. Miller has appeared on Ralph Edwards' program, "This Is You Life," and her life has been dramatized on the General Electric Theater with Ronald Reagan.

Lions Club

At the last meeting "Operation Candy Bag Packing" turned into a read production line as members lined up and packed 300 bags for distribution at the community Halloween celebration. Saturday evening Lions Dave Parry, Ben McGee, Red Waite and Clem Bartolai were on hand to distribute a bag to all children present at Sierra Madre School. The delighted looks and "thank you" made the project worthwhile.

An enthusiastic group of 26 Lions, ladies and guests came decked out in "hard times" type costumes Friday evening, October 29. The casual affair hosted by Red and Myrt Waite turned out to be one of the best times to date. Planned and prepared by the Lady Lions, the evening included many hilarious games, fine food and group singing to an almost complete list of Roaring Twenties songs graciously provided by guests Bill and Connie Harriman. Bill's old fashioned gut bucket set the beat for Connie's red hot banjo artistry. If prizes had been awarded for the best costumed couple a tough decision would have resulted in prizes to Myrt and Red Waite, Jim and Barbara Dunnigan and Bill and Connie Harriman.

Other guests also dressed in style included Altadena Lions Club President Russ and Anita Wilkes, Herm and Elsie Ohs, Harold and Margaret Pangborn, Ben and Jeanne McGee, Dave and Margaret Duran, Clem and Nina Bartolai, Frank and Louise Barbour, Sterling and Alice Ripple, Dave and Carol Jo Parry and Ed and Marge Bertozi.

Local Girl Scout Leaders Organize Monthly Agenda

Local Girl Scout leaders and their assistants met Tuesday, Oct. 19, at the Park House. The monthly agenda was discussed in full by Mrs. Lois Kromka, with Mrs. Ann Valois and Mrs. Dorothy Waldron presiding.

Mrs. Helen Peterson was special guest. Mrs. Peterson informed the leaders of the special services needed at Toy Loan, a service project most any age Girl Scout could participate in.

Annual calendar sales also were discussed. In cooperation with United Crusade, local Girl Scouts will not sell calendars before Nov. 19, although advance orders may be taken.

Morning refreshments were made available by the leaders of Troop 529, Mrs. Joanne Anderson, Mrs. Irene Milfeld and Mrs. B. Wagner. The next monthly meeting is planned for Nov. 16 at 9:30 a.m. at the Park House.

Activities to commemorate Juliette Low's birthday were held Sunday, Oct 31, at 3 p.m. at the Pasadena High School auditorium. All Girl Scouts and their families were invited to attend. Miss Phyliss Malcombson reported on her Juliette Low International Opportunity trip to Madagascar and Africa this past summer.

A new Brownie troop at Sierra Mesa is delighted to report Mrs. Jean Nash as its leader.

Will parents interested in having their daughters join Brownie or Junior Girl Scout troops in Sierra Madre, please contact the following: Mrs. R. C. Michaels, 355-7437, or Mrs. Irene Milfeld, 447-9790.

Cystic Fibrosis Guild's Annual Dinner-Dance

"Acres and acres" of red handmade flowers combined with a black and gold decor will enhance the Cystic Fibrosis Guild's annual dinner dance, "The Flamenco Affair," on Saturday, November 6.

This year's event is to be held at the Altadena Town and Country Club, 2290 Country Club Drive. Following cocktails at 7 p.m., there will be dinner and dancing to the music of Greg Boghosian.

Mrs. George Mannschreck, president, has appointed Mrs. Dominic Giangregorio as chairman of the affair. Capably assisting her in various capacities are: Mrs. Eugene Rode, reservations, Mrs. Alan Stearns, patrons, Mrs. Forrest Paxson, refreshments, Mrs. Edward Rosic and Mrs. E. E. Hagerman, awards, and Mrs. Robert Hunt, decorations. Two groups affiliated with the Guild, La Sequitas and the Robins, Junior Guild, under the direction of Mrs. Wells Pleas, have been especially helpful in preparing the many flowers required.

As in the past, the proceeds from this affair will be turned over to Los Angeles Children's Hospital to be used for Cystic Fibrosis Research.

Look for your neighbor in church this Sunday.

MAKE-UP SPECIALIST Barry Lipton of London applies subtle Aida Grey make-up artistry to colleague Gisela Feige at Continental Hair Fashions.

British Expert Introduces 'Cosmetic Technology' At Local Salon

Barry Lipton, skin care specialist and make-up artist from London, is now associated with Continental Hair Fashions in Pasadena. As personal representative in Pasadena and San Marino for Aida Grey, internationally famous make-up artist whose own Cosmetic Technology has created a whole new concept of skin care and make-up, Mr. Lipton acts as consultant and make-up specialist at the luxury salon.

Mr. Lipton spent several years with the J. Arthur Rank Studios in London, and is thoroughly knowledgeable in every phase of skin care and make-up. He analyzes the client's coloring, features, shape of face and condition of skin, and recommends the proper course of care to bring out the hidden beauty in the complexion.

Aida Grey Cosmetics have previously been obtainable in this area only at Miss Grey's own unique salon in Beverly Hills, where the famous beauties of the world have come for over 30 years. Now these famous beauty aids are available exclusively in Pasadena and San Marino at Continental Hair Fashions, 500 East Green Street, Pasadena. Miss Grey's reputation was established when the efficacy of her Placenta Throat Cream became known. Equally famous are her Gin Seng creams and lotions, the formula for which is based on a treasured Oriental root known as the "Root of Life," and which do so much to preserve or restore youthful smoothness and beauty to the skin.

"When men say they object to make-up, what they really mean is that they object to make-up incorrectly applied," Mr. Lipton says, and points out that correctly applied make-up is subtly flattering without being at all obvious. He believes in starting girls off correctly, with a real understanding of the importance of proper skin care and understated make-up, so vital in maintaining the loveliness of youth. In his capacity as personal representative for Miss Grey, Mr. Lipton is happy to give complimentary consultations at the salon, where he also acts as make-up specialist and instructor in make-up. You are invited to consult with him at Continental Hair Fashions, 500 East Green Street in Pasadena, phone SY 6-6178.

By LOLITA

Ever since a wit once observed that "gentlemen prefer blondes," there has been sporadic effort on the part of dark-haired women to become blonde.

When you come right down to cases, there are two basic types of blondes—the natural-looking blonde and her high-fashion sister. The natural blonde is often a tint, a process which deposits color on the hair, but does not strip it. The result: A flaxen blonde or topaz.

The high-fashion tones favored by actresses are a more complicated technique which lightens the hair before color is applied. The high-fashion tone may require two to four hours, a tint one-quarter the time.

Whether you desire a tasteful tint, a pleasing permanent or hair styling of uncommon charm, you are guaranteed complete satisfaction. Our operators take exceptional pride in their work at PETITE BEAUTY SALON, 185 W. Sierra Madre Blvd., Phone EL. 5-8041 . . . Clean all wigs . . . open 6 days, Thursday evenings by appointment . . . THIS WEEK'S HELPFUL HINT: If you find yourself in a situation where toothpaste is not available, table salt will be a fair substitute.

Mr. & Mrs. Perlof Aboard Sagafjord On Maiden Voyage

Mr. and Mrs. Sam Perlof of Royal Drugs in Sierra Madre are off on a "dream holiday." They left Monday, November 1, jetting their way to New Orleans where they will enjoy the charm of that fabulous city for three days, then on to glamorous Miami for another glittering three days, then our vacationing couple will fly to New York City, enjoy the many things that great city has to offer and at the end of the third day will board the Norwegian - American Liner, "Sagafjord" for her maiden Caribbean cruise.

This will be a 19-day cruise aboard this luxury liner and Mr. and Mrs. Perlof will be exposed to the exotic wonderment and adventure of 10 different ports enroute on the maiden voyage.

The Perlofs plan to return to New York City on November 29 and then to fly home with their wonderful memories and lots of snapshots.

Carbon Monoxide

Always turn your car engine off once you have parked. Don't risk the dangers of inhaling deadly carbon monoxide fumes from an idling engine.

Shakespeare Club To Celebrate American Heritage Day Nov. 9

Tuesday, November 9, is designated as the Annual American Heritage Day for the Shakespeare Club. At the noon lunch the Club will honor its American Heritage with special music by the Shakespeare Choralettes directed by Mrs. Willard M. Davis.

At 1:30 p.m. in Shakespeare auditorium the musical Heritage will be continued by the Baroque Consort of Pasadena. The special feature of the Consort is the use of 16th, 17th and 18th Century musical instruments, such as recorders, oboes, zink and harpsicord, and viola da gamba.

They will play a repertoire of 16th ta 18th century music. Mrs. Elmer Patten Worrell is chairman of the day. Mrs. Kenneth H. LaMond, is chairman of public affairs.

Following the program there will be a social hour in Stratford House arranged by the American Heritage Day Committee.

Delta Gamma To Meet On Tuesday, Nov. 9

The Delta Gamma Alumnae of Pasadena will meet Tuesday, November 9, at the home of Mrs. C. H. A. Grady, 2440 Melville Drive, San Marino. Dessert will be at 7:30 with Mrs. Harry W. McQuaid, Jr., Mrs. Harrison L. Kelley, Mrs. C. Harris Flannery, and Mrs. George G. Witter serving as co-hostesses.

Mrs. Vincent W. Heublein, president, will conduct the business meeting. Mrs. Fred Sipp will discuss plans for the spring benefit. It will be a brunch to be held February 21, at the Altadena Town and Country Club.

Mr. and Mrs. Arthur H. Rolapp, of San Marino, will be hosting Delta Gamma members and their husbands for cocktails on December 3. Mrs. Raymond Brown, Mrs. Fred Sipp, Mrs. Harold Pool, Mrs. Paul Thornton, and Mrs. John McBride Meade have promised to assist.

Other annual holiday activities, certain to be under discussion, are the mother-daughter Christmas tea to be held December 12 at the Pasadena home of Mrs. Friske O. Parnkopf. December 1 is the Christmas Braille Club diner, this year under the direction of Mrs. C. Harris Flannery. And on December 30, Delta Gamma pledges and actives, home for the holidays, will be invited to meet together for coffee at the home of Mrs. Russell F. Walter in San Marino.

The featured speaker for the evening will be a Delta Gamma, Mrs. Kennedy B. Galpin, who is chairman of the Public Relations Committee of the Assistance League of Pasadena. She will talk about "California House," the Assistance League's new building in Pasadena.

All area Delta Gammas are urged to make reservations by calling Mrs. Rolapp, 793-2321.

San Gabriel Alumni Club Fall Dinner

Adrian A. Kragen, the chancellor's liaison officer to the California Alumni Association, will be the guest speaker at the annual fall dinner meeting of the San Gabriel Cal Alumni Club to be held at the home of Mr. and Mrs. John Mage, 2840 E. California Blvd., Pasadena, on Saturday, November 6. The social hour will start at 6 p.m., with dinner to be served at 7 p.m.

Mr. Kragen is a professor of law at Berkeley and has served as vice-chancellor from 1960 to 1963 and as academic assistant to the chancellor since 1963. Drawing on his experience and knowledge of the campus, he will discuss what is in store for Berkeley.

At the meeting, officers of the club for the coming year will be elected and projects to be understaken will be outlined. Reports on the club's summer orientations program for entering students and scholarship award will be made.

For further information, interested alumni may call Mrs. William Escherich, 799-4529; Mrs. Edward O. Donald, 355-2953; or Mrs. Charles Vance, 446-5123.

Reservations for the dinner may be made with William Griffin, 355-6137, after 6 p.m.

Sierra Madre Woman's Club Reciprocity Meet

Sierra Madre's Woman's Club meets on Wednesday, Nov. 10 at 11 a.m. in the Clubhouse, 270 W. Sierra Madre Blvd., Sierra Madre.

This will be their Reciprocity Day for the Verdugo District, CFWC. Bidden are the presidents of all 16 clubs in the district, as well as Mrs. William Adams, Verdugo District president, and her elected officers. Mrs. William E. Maxwell will be the local chairman in charge of introducing the visiting presidents, according to Sierra Madre Woman's Club President Mrs. Roy E. Griffin.

After local club business and guest introductions, there will be a luncheon supervised by Mrs. Jack Tilley.

The 1 o'clock meeting will be taken over by the Golden Duo, a harp and violin duet of women whose programs are widely sought after and enjoyed by organizations in the surrounding area.

Local club members may bring guests if they will be sure to make lunch reservations by Monday, Nov. 8, with reservations chairman, Mrs. Robert Sheldon, 355-9123.

Leave an extra car length for ever 10 miles of speed.

Monthly Meet Of Women's Fellowship

The monthly meeting of the Women's Fellowship of the Congregational Church will be held Tuesday, November 9. This is a daytime meeting with luncheon at noon for which a donation of $1 is requested.

Following the luncheon there will be a worship service and the ingathering of the Family Thank Offerings for the past year.

The speaker will be David Lennington, a young missionary on furlough from Ghana, where he spent seven years.

He is an administrator of mission work with a special interest in agriculture and medicine. This will be an especially interesting meeting and all women of the community are invited to attend.

Newly Licensed Architects Honored Saturday

The Pasadena Chapter, Women's Architectural League, will honor recently licensed architects in the San Gabriel Valley area at a cocktail party Saturday, Nov. 13, at the home of Mr. and Mrs. Jack F. Partch, 1580 Riviera Drive, Pasadena.

Mrs. William Gassy, president, and Mrs. Philip Davies, chairman of the event, will welcome the recently licensed architects who are: Howard Lee Gilpin, Arthur Eugene Miles, Donald L. Kaessner, Farrel Balonick, Rudolf Mikuta, Ralph Morsillo and David Gerald Stringer.

Assisting Mrs. Davies will be Mmes. Chancy Lott, Glenn Cook, Jim Burns, Gilbert Hershberger, William Abbott, Robert Deines, Kenneth Nishimoto, David Alexman, Edward Davies and James Westphall.

Advance reservations have been received from Messrs. and Mmes. Donald Forker, James E. Morris, James T. Fickes, Walter Jones, Jack H. Simison, Charles A. Klingerman Robert E. Tryon, Harry J. Webster and Donald A. Watson.

Sewing Group Does Grand Job

Forty-three shifts and two-piece dresses made by the sewing group in girls' sizes 8 to 12, and the garments and cash donations contributed to a successful Ingathering Tea for the Sierra Made Needlework Guild.

According to Mrs. M. Dyer Tumility, chairman of the board of directors, the contributions this year exceeded those of previous years.

The articles collected through the Pasadena Branch of the National Needlework Guild and its member sections in Sierra Madre, Altadena, and Hastings Ranch will assist individual families and organizations sponsored by the Needlework Guild, such as the Visiting Nurses Association, Pasadena Dispensary, Pasadena Public Schools, Rosemary Cottage, St. Luke Hospital, and others.

Serving as honorary porers at the tea were: Mrs. Claude H. Brown Jr., Mrs. Walter Dedrick, Mrs. Ralph Jones, Mrs. J. Baxter Jouvenat, Mrs. Marian O'Connor, Mrs. Trula Sewall, Mrs. Tumilty, and Mrs. Erick Wittig.

Stanford Junior Women's Club Tour TV Station

The November 9th meeting of the Stanford Junior Women's Club of Pasadena will be a tour of Channel 28, KCET, Educational Television. The members and their husbands will be treated to a tour of the station and a talk concerning its purposes. Following the tour there will be a dessert.

For those interested, there will be car pools leaving from East San Marino, West San Marino and South Pasadena between 6:30 and 6:45. Others may meet the group at the television station at 1313 N. Vine St. in Hollywood at 7:30. For information about the programs or the car pools, call Mrs. Xenophen Anthony, AT. 7-7687.

Senior Citizen Costumes Party Wins Awards

The Sierra Madre Senior Citizens celebrated Halloween Saturday, October 30 at the Park House. Betsy Stevens, dressed as an angel complete with wings, halo and a Liz Taylor mask, won first prize for the Halloween costumes. Vivian Singleton dressed in a leopard costume with a tail and paws, won second.

Francis Gardner came as a Chinese maiden and won third. Bernice Olosn was the witch; Lola Bullock, the Gibson Girl; Roland Ridgeway was the blushing damsel; Molly McKim and Nina Dimick, were Japanese maidens; Mary Casper, came in a Spanish costume; Marion Shaw, as a basketball player; Jessie Dunning, represented the Good Old Summer Time, carried a summer parasol, and the Symonds, were the Hawaiians.

Bill Slater complete with bowler and patches (snake eyes) entered with Adelaide Kirk in her picture hat and gown of the '90's (Hard Luck Annie), on his arm. The group made a tour to the Headliner and received many approving glances. Who said they were sorry for the Senior Citizens?

Pumpkin pie with mounds of whipped cream was served as refreshments. Cards rounded out the afternoon.

SM Kiwanis Club Reaches Member Enrollement Goal

The Kiwanis had a lot of fun Saturday judging and awarding prizes for the best Halloween costumes at the city's annual Halloween parade for the children of Sierra Madre.

Vice president, Bob Hatfield awarded the prizes and was assisted by Hugh Barton, Bill Sullivan, Dick Dodge, Larry Bevington, Walt Fader, Roy Pickett, and Irl Beatty.

At their weekly luncheon president Dr. David Kirkpatrick presented the club with the charge of the 5000 from Kiwanis International which showed that the Sierra Madre Club obtained its goal in bringing in new members in 1965.

The program was introduced by Carl Hobson. Nick Pappas, director of Athletic Support Groups and head of the Trojan Club at the University of Southern California, told the way a private school provides for financing its needs. Nick Pappas was an outstanding football player for USC in 1935, '36 and '37 under the great coach Howard Jones.

C. E. Davidson Services Held In San Gabriel

Charles E. Davidson, age 93, of 187 E. Sierra Madre Blvd., passed away last Thursday, Oct. 28, at his home, after a long illness.

Mr. Davidson was originally from Bella Ridge, Ill., but had made his home in California for the past 46 years, living in Sierra Madre for the last year. He was retired from his post as treasurer of the Davidson Investment Company.

Survivors include his wife, Minnie S. Davidson; a son, Herbert N. Davidson, also of Sierra Madre, and a son, Charles E. Davidson Jr. of San Gabriel, and a sister, Miss Lucy Davidson of Beverly Hills, plus five grandchildren, 12 great-grandren and two great-great grandchildren.

Funeral services were held at the site of the burial in the San Gabriel Cemetery at 3 p.m. Friday, Oct. 29, with the Rev. W. N. Mills officiating. Arrangements were made by Ripple Mortuary.

City, Subdivider

The Council, Subdividers, and persons present, walked the tract lot by lot, of the 15 lots in question. Due to reports from various companies, yet to be reviewed, it was determined that five of the lots had been completed, one was the responsibility of the utilities, six would be done by the subdividers and three they would do nothing about.

At the end of the meeting it was the conclusion that the work still to be done would come under the supplemental agreement, which in part, states that should any defects show up within 18 months after acceptance, they would be repaired and completed. Of course, G. Norman Kennedy kept advising the Council, that the subdividers reserved the right to argue the supplemental agreement and that it may not be enforceable.

Lots 7, 8 and 9 were agreed to by the subdivider providing that the City would order him in writing to do the work and give him a release from any further damage that might result from uprooting virgin growth.

Further Frank Arciero, representing the subdividers, agreed to do the work on lots 15 and 17, making a total of five.

Reports to be received on Lots 25, 27, 35 and 48 from those completing the work, will show completion. was the contention. Lot 29 was the responsibility of the utility company cutting the ditch and not making proper compaction. Lots 40, 41 and 55 the subdividers refused to submit, and these were termed to fit under the supplemental agreement.

An analysis and a report will be made in full by the City Engineer will be made at the next council meeting.

Children should be seer and not hurt. Defensive driving will always pay

Letters to the Editor

Dear Editor:

I am writing to you in hopes there might be some remedy. The bad treatment of several dogs up Sycamore and East Grand View Ave.

I had thought the dogs had been injured the crying was so very pitiful or beaten. About 5 dogs or more than one; and in my life I had never heard the like, at an hour at a time.

I have about come to the conclusion the dogs are starving. And some of the dogs are not confined. Is there a cruelty to animals society around I wonder?

I do not know the dogs' owners I feel sure, but I have lived here a long time and I might help in some way.

Your paper is very interesting to me and I have our community at heart.

—A NEIGHBOR

Open Letter to anyone who will listen:

Dear Editor:

As a resident of the Sierra Madre Canyon for over 16 years, I would like to protest the government spending over 3-quarters of a million dollars on a project to cover our wash, which would neither enhance the beauty or safety.

The proposed project is geared, so they tell us, to a 50-year storm, which the wash has already withstood in fine shape. If we are again to have such a storm, having it closed would pose more problems than leaving it as it is.

Please consider all the aspects of the project before moving ahead!

The esthetic value, the $722,000 taxpayers' money, the danger in construction, both on sight and the possibility of stoppage of the pipe, the unrealistic argument of it being an improvement over what we now have, it has proven to be adequate, the loss of water to the city supply, are all to be considered, plus the fact that we just plain like it as it is.

Please reconsider!

—BETTY J. CROOK.

Dear Editor:

His Honor appealed to the Big Rock Candy Mountain on the banks of the River Potomac, where taxpayers' loot gushes from the federal fountain, since Infernal Revenue stripped the shirt off our back. Here politicians divide our dollars, hard earned, to stuff pork barrels mis-labeled "Federal Funds." For a Heli-bus-port at Union Station the Mayor yearned. To dispose of federal tax loot, we need many political sumps..

Now we pay only half the fare for flying tycoons, in subsidies, including tax-free public airports. We must shell out many more doubloons to air-bus lift them from a tax-provided heliport. Let's kick the railroads out of Union Station. They can do nothing but pay double taxes for the benefit of sacred cows of aviation. To your home and mine are shifted current station taxes.

His Honor climbed the Big Rock Candy Mountain of huge federal debt to drink from the magic fountain, of loot from citizens not born yet!

—K. FRITZ SCHUMACHER.

P.S.—I hitched my Halloween broom to an Iron Horse and swept up the above.

CW&T Official Elected President Telephone Ass'n

The U.S. Independent Telephone Association recently elected Peter A. Nenzel, Los Angeles, president at the 68th annual convention in the Americana Hotel in Los Angeles.

Nenzel, who succeeds Paul Henson, Kansas City, is executive vice president and a director of California Water & Telephone Company, and vice president of General Telephone Company of California.

USITA represents 2,500 independent (non-Bell) operating companies serving more than 14.3 million telephones, almost the total of those in Britain and France combined. In 1964, independents had assets of $6.2 billion, annual revenues of $1.5 billion, 102,000 employees and 1,113,000 stockholders.

Nenzel, a native of Saskatchewan, Canada, moved to Spokane with his parents when he was eight. Before entering the telephone business, he was an engineer for the Railroad Commission in San Francisco.

In 1926 he joined Loveland Engineers, a forerunner of Western Utilities Corp., and its operating affiliates, California Water & Telephone Co., West Coast Telephone Co. In June, 1944, these organizations were merged into General Telephone & Electronics Corp., and Nenzel was elected to the posts he now holds.

Nenzel and his wife, Catherine, live in the Pacific Palisades section of West Los Angeles. They have two married daughters.

Bill Harriman

een, Kathleen and Michael, good Irish names, all.

In addition to glass installation and repairs, this new shop offers mirrors, table tops, louvered windows, leaded glass, shower doors, aluminum sliding doors and windows, free estimates on all, and many, many services. Plus all these services, they have a 24 hour emergency service just in case the party gets out of hand and someone falls through a window in the wee hours of the morning.

The "do-it-yourself" phase that has hit every homeowner, country-wide will find this new business a haven. The "do-it-yourself," can find all kinds and shapes of glass, tools, materials and above all, lots of free advise on how to "do-it-yourself."

Bill says he wants to take this opportunity to thank the Griffin family of Griffin Lumber Company for their help, and loyalty in getting him started in the community.

Sierra Madre Estates

different locations. To show that they meant business they then took sections of the pipe and completely broke them up into small pieces and further stole some four or five rain-bird sprinkler heads.

Other damage in the city was small and not worth mentioning.

INSURED, CHARTERED AND SUPERVISED BY AGENCIES OF THE UNITED STATES GOVERNMENT

SPORTS AS Hank Ives SEES IT

THE FELLOWS at the Pasadena Quarterback Club have a lot of fun each week participating in the football picking contest. Seldom does one man win more than once. Only those who take stabs at the upsets and hit, win at all.

This week when Old Hankus was patting himself on the back for getting 12 right out of 20, one fellow came up with 19 winners, picking the same group of 20 games.

THIS LAST WEEK Hankus was again feeling pretty good with just three wrong when the professional reports came in. He blew the duke on both the Rams and Chargers, settled for a 15-5 tally and rounded his season's picking record out at 92-21-7, good for 69 per cent. He nailed both Washington and Illinois in the "limb crawler" department and dropped the 10-8 Oregon State loss to Wash. St., to make it 16-15-1 for the year's upset choices.

PASADENA'S LANCERS, with lots of new-found offensive punch, should have little trouble with LACC. Don Hunt's crew faces a couple of toughies the following two weeks in Ventura and Glendale, but should be 6-1 going into the TV clash with the Pirates. The Lancers are a good ball club, make no mistake about that. Since 1958, the best PCC mark was 5-4.

PASADENA HIGH to edge Glendale, 7-0. Gotta stick with the unbeaten Bulldogs who just plain refuse to let the opponents score. Wonder who it was that said, "If the other team doesn't score, you can't lose." Really a profound statement, wouldn't you say? You have to see the PHS lightweights to believe them. Jimmy Garland is the best linebacker in the league at 175 pounds, and Skip Robinson a sure all-conference pick. The Glendale loss to Burroughs may be a psychological stimulant to the Dynamiters though, so watch out.

MUIR over Blair in the first meeting of the cross-town schools. Pete Yoder's youthful Vikings show promise of springing an upset each week and have never been humiliated. However, Don Autrey and company again face a for-midable opponent in the Mustangs. It might be something like 26-20.

It wouldn't be much of a surprise to see Muir's Marty Robbins and Tim Buchanan along with Autrey and Robinson on the first team All-Foothill League lineup.

CALIF. STATE (L.A.), rolling in high gear now, should have little trouble with Calif. Poly of San Luis Obispo. The Diablos had a ball in Honolulu last week and must settle down for their Nov. 18 clash with Long Beach State.

USC by two touchdowns over California. Ray Willsey seems to have a way of getting the Bears up off the floor, but the Trojans are getting the "Rose" scent and know they must win all the AAWU games to earn it. Mike Garrett will ramble again and Rod Sherman should be back in high gear.

WASHINGTON, suddenly coming to life, will slip a mickey to Tommy Prothro's Jan. 1 plans. Their win last week over Stanford was comparable to the Bruins' slaughter of California. This should be a dandy and rates as the game of the week. It must rate in the "limb crawler" category.

Other upset choices this week: MICHIGAN, getting a full head of steam, to stop Illinois in the famous brother act. . . . LSU, rebounding from the Ole Miss disaster, to upset Alabama . . . COLORADO to knock off highly rated Missouri . . . OREGON to upset Wash. State. (One of these days the Cougars will make a believer out of me.)

SYRACUSE should bomb Oregon State . . . STANFORD should have little trouble with Tulane . . . GEORGIA TECH over Tennessee in a tough one . . . PURDUE by plenty over Wisconsin.

NAVY to sink Maryland . . . GEORGIA over Florida in a real doozy . . . AIR FORCE over Army, but watch out for this one . . . TEXAS, no super team this year, to bounce back against Baylor . . . IOWA STATE over Oklahoma and NORTH CAROLINA to knock off Clemson's bowl hopes.

ON THE JR. ROSE BOWL FRONT . . . Watch for the ticket office opening soon. . . . Harbor ended a 15-game victory skein when Ventura nudged them 20-17, but may have upset plans of their own at Glendale Saturday night. . . Cerritos and Fullerton should have little trouble with East L.A. and Citrus.

New Painting Exhibit To Open November 4

Thursday, November 4, will mark the opening of a new exhibition of paintings by Las Artistas, woman's art club, at Duncan, Vail gallery, 637 S. Olive, Los Angeles.

The show will continue through November 30.

A Las Artistas member will give a demonstration every Saturday at 2 p.m.

Mrs. David (Lydia) Hernandez, of 6524 Ruffner, Van Nuys, will demonstrate Saturday, November 6; Mrs. Powell (Carol) Palmerston, of 1500 Diamond, South Pasadena, will demonstrate Saturday, November 13; Patti Brown, of 420 W. Malvern, Fullerton, will demonstrate Saturday, November 20; and Mrs. Errol B. (Lucile) Sloan, of 516 N. St. Andrews P., Los Angeles, will demonstrate Saturday, November 27.

Vacation

Mr. W. A. Webster of Webster Insurance Agency, his wife and daughter Doris, have been on a motor trip to Atlanta, Georgia. They report that the weather was fine, roads good and no telephone ringing. They have just relaxed and enjoyed the lovely autumn of the southeast. The Websters are now back at the office and school, with their trip now just a lovely memory.

News from Your . . .
COMMUNITY HOSPITAL
. . . Sierra Madre

Seldom do we see such genuine paternal delight as was the Sierra Madre Community Hospital employees privilege to witness last Wednesday morning when Mr. and Mrs. Eugene Green embraced their twin sons for the first time. For two months the parents had been permitted to view their premature babies from outside the nursery window as nurses around the clock gave the tiny infants TLC (tender loving care).

At birth on Aug. 24 Antonio MiCarlo Green weighed 3 pounds, 1½ ounces, and his brother, Anthony DeCarlo, weighed 2 pounds, 12 ounces. Since that day with constant and undiminishing care the little fellows waxed strong and wrapped themselves around the hearts of all the nurses.

On last Wednesday they were ushered into a new and greater world when their parents, joyful if perhaps a bit bewildered, took them to their home at 717 Joella St., Duarte, where they were joined by their older sister, Kathy, age 2 years, to complete the family circle.

* * *

Mr. and Mrs. Edgar Kelly of 2024 N. Madison St., Altadena, are announcing the arrival of their daughter, Tamara Ann, at Sierra Madre Community Hospital, Saturday, Oct. 23. Her weight at birth was 6 pounds, 14½ ounces. She will join her brother, Daniel Paul, who is eager to make her acquaintance.

* * *

Residents of Pasadena at 1062 E. Villa St. are Mr. and Mrs. Fred Hernandez, whose son was delivered at Sierra Madre Community Hospital. His birthday was Sunday, Oct. 24, with a birth weight of 6 pounds, 14½ ounces. He has been given the name Henry.

* * *

Mr. and Mrs. David Goyen of 14614 E. Pacific St., Baldwin Park, are enjoying their first child who was delivered at Sierra Madre Community Hospital Tuesday, Oct. 26, weighing 6 pounds, 1 ounce. His parents have chosen the name Wayne Allen for him.

* * *

Jeff McNall, 4-year-old son of Mr. and Mrs. Rod McNall of 350 N. Lima St., Sierra Madre, underwent a tonsilectomy at Sierra Madre Community Hospital last Friday morning.

* * *

A Sierra Madrean residing at 144 N. Mountain Trail is Mrs. Richard Compton, who was admitted to Sierra Madre Community Hospital last Thursday afternoon.

Nursery School

chanting new show every bit as much as their children will. Be sure to make your reservations immediately, as the number of tickets is limited. If space allows, tickets also will be sold at the door.

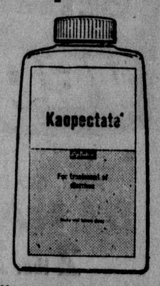

Firemen Start

park, also for the Easter party at Easter time, and the sponsorship of baseball team.

The money is also used for other worthy charities during the year.

So, from now until the ticket selling campaign is over, when you answer your doorbell and see a fireman in uniform, don't be alarmed, he is only trying to sell you tickets to the Christmas dance.

Kaopectate

When dependability means a lot...
When a member of your family needs a prompt acting, soothing antidiarrheal, depend on the product families like yours have trusted for over 28 years — Kaopectate, from Upjohn. Two convenient sizes in unbreakable bottles.

SIERRA MADRE NEWS

ORDINANCE NO. 752

AN ORDINANCE OF THE CITY OF SIERRA MADRE REPEALING PARTS 6 AND 7 OF ARTICLE IX, SECTIONS 9440 THROUGH 9459 INCLUSIVE, OF THE SIERRA MADRE CITY CODE AND ENACTING NEW PARTS 6 AND 7 OF ARTICLE IX, SECTIONS 9440 THROUGH 9459 INCLUSIVE, THERETO, RELATING TO NEW REGULATIONS FOR THE R-3 AND R-P ZONES OF THE CITY.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. Parts 6 and 7 of Article IX of the Sierra Madre City Code, Sections 9440 through 9459 inclusive are hereby repealed.

SECTION 2. New Parts 6 and 7 of Article IX of the Sierra Madre City Code, Sections 9440 through 9459 are hereby adopted as follows:

Part 6. Multiple Family Residential Zone — (R-3)

Section 9440. Permitted Uses.

In an R-3 Zone only the following uses are permitted as are hereinafter specifically provided and allowed, subject to the provisions of Part II governing off-street parking requirements.

(1) Any use permitted in the R-2 Zone.
(2) Multiple dwellings.
(3) Group houses.
(4) Boarding and lodging houses.
(5) Day nurseries or licensed homes for foster children when there is provided on the lot or adjacent to the premises a play lot completely fenced and containing not less than nine hundred square feet in area, plus an additional fifty square feet for each child in excess of nine.
(6) A public parking area when developed as required by Part II.
(7) The following single or double faced signs:

(a) Name plates not exceeding two square feet in area containing the name of the occupant of the premises.

(b) One identification sign not exceeding twenty square feet in area for multiple dwellings, hotels, clubs, lodges and similar permitted uses.

(c) One sign, unlighted, not to exceed twelve square feet in area, giving information on availability of rentals on multiple dwellings, hotels, clubs, lodges and similar permitted uses.

(d) One sign, unlighted, not exceeding twelve square feet in area pertaining only to the sale, lease or hire of only the particular building, property or premises upon which displayed.

Section 9441. Height.

No building shall exceed two stories or thirty-five feet, whichever is the lesser height.

Section 9442. Front Yard.

Every lot shall have a front yard not less than twenty-five feet in depth.

Section 9443. Side Yards

(1) Interior lots and corner lots shall have side yards as follows:

(a) The combined side yards on both sides of the lot shall equal 20% of the lot width.

(b) No side yard shall be less than 10 feet in width.

(2) Reversed corner lots shall have the following side yards:

(a) Where the side lot line adjoins another lot there shall be maintained a side yard not less than 10% of the width of the lot, provided such side yard shall not be less than 10 feet in width.

(b) On the side street side, the side yard shall have a width of not less than 10 feet.

(c) If the rear of a reversed corner lot abuts upon property classified for "C" or "M" purposes, or abuts upon property occupied by a non-conforming "C" or "M" use having an unamortized life of more than ten years as defined in Part 13 then the provisions governing side yards on corner lots shall apply to the reversed lot.

Section 9444. Placement of Buildings.

Placement of buildings on any lot shall conform to the following:

(1) The distance between any buildings used for human habitation shall be twice the required side yard. The distance between a main building and an accessory building shall be not less than 5 feet.

(2) Any building used for the storage of vehicles and having access from any alley, shall maintain a distance of not less than 5 feet from such alley.

(3) No building may be erected over any easement dedicated for public or utility uses.

(4) Any building used for human habitation shall not be located closer to the rear property line than a distance of 20 feet.

Section 9445. Area.

The minimum lot area required shall be seventy-five hundred square feet unless otherwise designated on the zoning map.

Section 9446. Area per Dwelling Unit.

The minimum area per dwelling unit shall be fifteen hundred square feet of ground area; provided that from the total lot area there shall be excluded for the purpose of such computation:

(a) Any portion of said lot or parcel which serves as an access easement to any other lot or building site.

(b) Any portion of said lot or parcel which serves as an improved surface flood control project under the jurisdiction of any public agency.

Section 9447. Lot Width.

Every R-3 lot hereafter created shall have a width of not less than 60 feet at the rear line of the required front yard.

Sec. 9447.1 Minimum average width

Each lot hereafter created shall have a minimum average width of not less than 60 feet.

Sec. 9448 Driveway requirements

(1) Each driveway to a garage or parking space shall be at least ten and one-half (10½) feet uniform width and shall be totally unobstructed from the pavement upward.

(a) If any driveway serves as access to more than twelve (12) dwelling units, such driveway shall be not less than eighteen (18) feet uniform width and shall be totally unobstructed from the pavement upward; provided, however, that utility poles, guy wires and anchors may be located within two (2) feet of the property line.

(b) Eaves, no portion of which are less than thirteen (13) feet above the pavement, may overhang any such driveway a distance of not more than three (3) feet; and utility pole crossarms and utility service wires may be located not less than thirteen (13) feet in height above the paved surface of any driveway.

(c) Two ten and one-half (10½) foot driveways may be provided in lieu of a required eighteen (18) foot driveway, in which event one shall be marked "Entrance" and one "Exit" and all regulations herein-before provided with respect to ten and onehalf (10½) foot driveways shall apply to each of such driveways.

(d) Every driveway shall be paved full width with asphaltic or cement concrete.

(e) "No Parking" signs with lettering not less than two (2) inches in height shall be placed conspicously at the entrance to and at intervals of not less than one hundred (100) feet along every required driveway.

(2) No person shall park, stand or leave any vehicle in any portion of a required driveway except for the purpose of and during the process of loading or unloading passengers or merchandise and then only while such vehicle is attended by the operator thereof.

Section 9449. Parking Requirements.

At least 2 parking spaces, one of which shall be in a roofed carport or garage, shall be provided on the same site for each dwelling unit. Each such parking space shall have individual access by a turning radius of not less than 25 feet. Each parking space located adjacent to any property line, wall, fence or other obstruction shall contain a gross area of 200 sq. ft., shall be not less than 10 feet wide nor less than 20 feet long; all other parking spaces shall conform to the requirements of Section 9514 (1). No portion of any required driveway may be used to fulfill any such parking space requirements. Every parking space, driveway and turning area and all other areas intended for vehicular use shall be paved with asphaltic or cement concrete.

Section 9449.1. Parking Ramps.

The regulations shown on Exhibit A may be used for underground parking facilities.

Section 9449.2. Parking Height.

Structures used principally for parking shall not be higher than one story. Parking shall not be permitted above ground level.

Section 9450. Required Usable Open Space.

There shall be required open space on each lot equal to not less than 15% of the lot area; provided that on lots of less than 7,000 sq. ft. only 10% of the lot area need be maintained as required open space; at least 50% of such space shall be level.

Section 9450.1. Usable Open Space.

Usable open space shall mean any area designed for and to be used for outdoor living, recreation, or landscaping located on the ground or on an unenclosed balcony, deck or porch and shall include patios and deck areas of swimming pools. No portion of offstreet parking space, driveways, swimming pools, accessory building, required front yard, rear, or side yards when any portion thereof is used for a driveway or parking covered pedestrian access ways between structures of dwelling units, shall constitute usable open spaces.

(a) Porches, balconies and patios shall qualify as usable open space only if such contain a width of at least 7 feet and length of at least 10 feet.

(b) Rooftops shall not qualify as usable, open space unless level, adjoining the living area of a dwelling unit and are improved for landscaping or recreation uses.

(c) Unenclosed area shall mean any exterior location which has not been completely enclosed, or if without a roof, not more than three sides; provided that if said area is larger than 100 sq. ft. it may be enclosed by four walls. Walls shall be defined as any enwall shall be defined as any enclosing structure not permitting physical access therethrough; for this purpose a normal door shall not be considered as affecting the definition of a wall.

Section 9450.2. Usable Open Space Separation.

LEGAL NOTICE

The minimum distance between swimming pools and other structures which have openings shall be 15 feet.

Section 9451. Utility Area.

Not less than 100 sq. ft. of enclosed area shall be provided within each building for the storage of maintenance tools and laundry facilities.

Section 9452. Trash Area.

Trash and garbage collection areas shall be provided, shall be located to the rear of the front building line and shall be enclosed on at least three sides (including all sides facing streets and those situated within 20 feet of adjoining properties) by a building or a five-foot fence, wall or other approved screening. Adequate access to and from such areas shall be provided.

Section 9453. Storage Space.

Sixty cubic feet of enclosed storage space shall be provided for each dwelling unit, other than in the dwelling unit itself.

Section 9454. Landscape.

All off-street parking areas not under cover shall be screened from adjacent properties by shrubs, bushes or other approved screening devices not less than 6 feet in height.

Section 9455. Preliminary Plans.

Prior to the submission of building plans for plan review or application for issuance of a building permit for any structure to be erected in Zone R-3 or R-P three copies of accurately dimensioned architectural drawings and plot plans for all proposed construction shall first be submitted to the Planning Department. Such plans shall show the elevations and location of all proposed buildings; the location and type of landscaping; the proposed use and treatment of the land area of the lot around such buildings and structures, including off-street parking, trees, hydrants, telephone poles, floodlights, driveways, fences, signs and proposed drainage facilities and any other proposed improvements required by the Planning Department. Calculation of open space, front, rear and side yards, open parking areas and driveways must be included. Such preliminary plans shall likewise show to scale the location of all structures, driveways and parking areas on each lot abutting any portion of the proposed building site.

Section 9456. Plan Review.

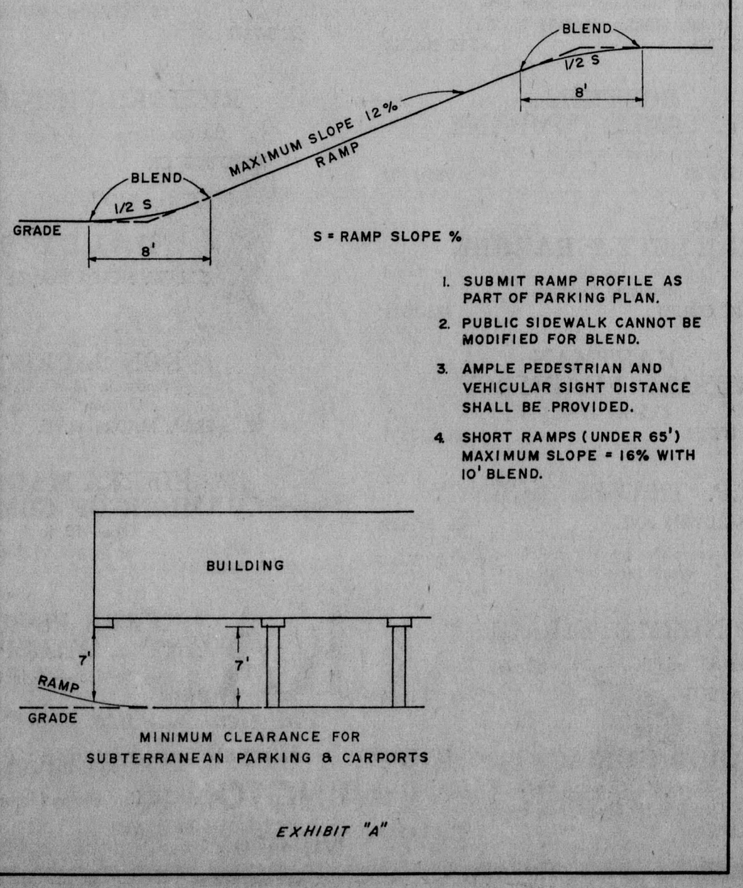

The Planning Department shall review all such plans submitted, and shall endorse its approval on a copy thereof if it determines that the same comply with all of the provisions of this code. If it determines that the plans thus submitted do not conform with one or more provisions of this code, it shall endorse its disapproval thereof together with a statement of the Sections with which such plans do not conform.

Section 9456.1. Plan Review Engineering.

The Planning Department shall transmit to the City Engineer and Building Department a copy of all such preliminary plans. The plans thus submitted shall be reviewed by the City Engineer and Building Inspector and a written report thereon prepared and returned to the Planning Department. The City Engineer shall evaluate such plans as to drainage, grading, curb cuts, driveways, street dedications, lighting and improvements and may require additional engineering plans to be submitted and approved prior to its approval of such preliminary plans. The conditions of approval of preliminary plans by the Planning Department shall include the recommendations of the City Engineer and Building Department.

Section 9456.2. Plan Review Appeal.

Any person aggrieved by the decision of the Planning Department made pursuant hereto may in writing appeal such decision to the Planning Commission. Any person aggrieved by the decision of the Planning Commission on any such appeal may in writing appeal the same to the City Council. The decision of the City Council in any such appeal shall be final. The decision of the Planning Department and of the Planning Commission on any such matter shall be final unless an appeal in writing be taken therefrom within 10 days after written notice of any such decision by the Planning Department or Planning Commission.

LEGAL NOTICE

Part 7. Residential-Professional Zone (R-P Zone).

Section 9458. Permitted Uses.

In an R-P zone only the following uses are permitted as hereinafter specifically provided and allowed subject to provisions of Part 11 governing off-street parking requirements.

(1) Any use permitted in the R-3 zone.

(2) The following professional services:

(a) Accountants.
(b) Attorneys.
(c) Brokers.
(d) Doctors, dentists, optometrists, chiropractors and others practicing the healing arts for human beings and accessory uses such as medical laboratories, oculists and pharmacises dispensing only drugs.
(e) Engineers, architects and planners.
(f) Real estate agencies.

(3) The followings signs:

(a) Name plates not exceeding two square feet in area containing the name of the occupant of the premises.

(b) One identification sign; not exceeding 12 square feet in area; not exceeding 10 feet in height above the ground; not provided with any electrical parts or lighting; identifying only permitted uses; and not advertising any goods, wares, or merchandise.

(c) One sign, not to exceed 12 square feet in area giving information of availability of rentals on multiple dwellings, hotels, clubs, lodges, and similar permitted uses or for sale or lease of the premises.

Section 9459. Development Standards.

The regulations pertaining to the R-3 zone as set forth in Sections 9441 through 9456.2, respectively and both inclusive, shall control and be the effective developmental standards in the R-P zone, and the same are hereby incorporated by reference as those set forth in full .

SECTION 3. The City Council finds that the foregoing amendments were recommended by the Planning Commission; that the same have been processed in a manner provided by state law and city ordinance; that the same will redound to the benefit of the residents and taxpayers of the city in providing to the city more equitable R-3 and R-P regulations; and remove from the existing regulations features inimical to the safety and welfare of the city.

SECTION 4. The City Clerk of the City of Sierra Madre shall certify to the passage and adoption of this Ordinance and to its approval by the Mayor and shall cause the same to be published in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated in the City of Sierra Madre.

Passed, approved and adopted this 26th day of October, 1965.

SIERRA MADRE NEWS

ORDINANCE NO. 753

AN ORDINANCE OF THE CITY OF SIERRA MADRE AMENDING SECTIONS 9402 AND 9404 OF THE SIERRA MADRE CITY CODE, THEREBY REZONING CERTAIN PROPERTY.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. The City Council finds and determines that the Zoning Code amendment set forth in Section 2 hereof was initiated by the Planning Commission and, after public hearing thereon, was recommended to this City Council, in the manner prescribed by state law and city ordinance; that the City Council has held a public hearing thereon, and finds and determines that said zone change as hereinafter set forth is in the public interest and will redound to the benefit of the residents of Sierra Madre for the reason that it provides a more normal and reasonable zone, and because the present zone is inconsistent with the proper use and best development of the property involved.

SECTION 2. Sections 9402 and 9404 of the Sierra Madre City Code, and the Zone Map adopted thereby, are hereby amended to rezone the following described property from R-P (Residential-Professional) to C (Commercial):

Lot 6 of the Prospect Tract, further described as 374 West Sierra Madre Boulevard.

SECTION 3. The City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be published once in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated in the City of Sierra Madre.

PASSED APPROVED and ADOPTED this 26 day of October, 1965.

SIERRA MADRE NEWS

ORDINANCE NO. 751

AN ORDINANCE OF THE CITY OF SIERRA MADRE REQUIRING A PRELIMINARY SOIL REPORT OF SUBDIVISIONS AND SPECIFYING THE CONDITIONS UNDER WHICH A SOIL INVESTIGATION OF EACH LOT IS REQUIRED.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. Section 9216, reading as follows, is hereby added to the Sierra Madre City Code.

Section 9216. Soils Investigation.

1. Purpose. The City Council declares that this ordinance is enacted pursuant to the requirements of Chapter 1001 of the Statues of 1965.

2. Preliminary Soil Report.

Prior to the submission of the final subdivision map, the subdivider shall file with the Building Department a preliminary soil report, prepared by a civil engineer who is registered by the State of California, based upon adequate test borings or excavations of every subdivision, as defined in Sections 11535 and 11535.1 of the Business and Professions Code. The preliminary soil report may be waived if the Building Department shall determine that, due to the knowledge of such department as to the soil qualities of the subdivision, no preliminary analysis is necessary.

3. Soil Investigation.

If the preliminary soil report indicates the presence of critically expansive soils or other soil problems which, if not corrected, would lead to structural defects, a soil investigation of each lot in the subdivision shall be prepared by a civil engineer who is registered by the State of California. The soil investigation shall recommend corrective action which is likely to prevent structural damage to each dwelling proposed to be constructed on the expansive soil. The report shall be filed with the Building Department.

4. Approval of Soil Investigation.

The Building Department shall approve the soil investigation if it determines that the recommended corrective action is likely to prevent structural damage to each dwelling to be constructed on each lot in the subdivision. Appeal from such determination shall be to the City Council. The building permit shall be conditioned upon the incorporation of the approved recommended corrective action in the construction of each dwelling.

SECTION 2. The City Clerk of the City of Sierra Madre shall certify to the passage and adoption of this Ordinance and to its approval by the Mayor and shall cause the same to be published in the Sierra Madre News, a newspaper of general circulation, printed, published and circulated in the City of Sierra Madre.

PASSED, APPROVED and ADOPTED this 26 day of October, 1965.

CARROT TOP

Suffolk completed and the City Fathers bent on starting the new Civic Center, Sierra Madre Wash being hashed and re-hashed, and a couple of new sub-divisions slated for coming into prominence, 1966 should be a very interesting year.

—CT—

"The future is bright for those who live for all . . . dark for those who live for self" . . . and it is my hope that I have not hit below the belt.

—CT—

Over in a small town near London, England, there's a small inn named "George and the Dragon." One evening a tramp knocked at the back door of the inn and told the landlady that he was very hungry and asked if she would be kind enough to give him something to eat.

—CT—

"Not on your ruddy life," screamed the woman. "The idea of a strappin' man such as yourself coming 'round 'ere beggin' food from 'ard workin' people . . . Now get out of 'ere before I calls the constable."

—CT—

Somewhat abashed, the tramp slouched away from the inn, but within a few minutes he was back at the door again . . . "What're you after this time?" shrilled the landlady.

—CT—

"I wonder," asked the tramp, "If I might not have a few words with George?" . . . and I certainly know how the tramp must have felt.

—CT—

Been wondering what's happened to that extra money all of us were supposed to have in our pockets as a result of the recent Federal Tax Cut. Steadily rising state, federal and local taxes are eating up about four-fifths of the cut. Any employer can tell you this as he strives to fix the quarterly report for the state for the third quarter.

—CT—

State and local governments are scrambling to get revenues to match federal funds in order to qualify under many of the new programs, and starting January first taxpayers will be asked to add $151.55 to most federal tax bills for Social Security-Medicare. To me, the savings to the ordinary taxpayer in both income tax and excise tax will not only be completely devoured by mid-year, but I am afraid that less and less will go home in the pay envelope. . . . This kind of "hanky panky" has just got to stop, I hope, I hope, I hope, and soon.

Altadena Federal Sends Out ¼ Million Christmas Checks

According to an announcement by D. W. Church, president of Altadena Federal Savings and Loan Association, the institution is now distributing some $230,000 in 1965 Christmas Club funds.

As pointed out by Mr. Church, this is the time of the year when 1965 members receive the fruits of their long-range planning. This distribution of nearly a quarter of a million dollars reflects 1203 individual accounts, and $4,783 in earnings accrued on principal during the 50-week period the Club is functioning.

During the years, the Association Christmas Club has continued to grow in membership. For example, in 1960, Club distribution amounted to only $88,784, as compared to the 1965 total of nearly three times that amount.

In conclusion, Mr. Church stated: "This year's substantial distribution of Club savings should be a reminder for prospective members of next year's Club, which will open for membership November 8. Those who join now will receive the same benefits during the 1966 holiday season, as last year's are receiving now."

Joining the Christmas Club is a simple procedure. As little as 50 cents a week can be set aside for a 50-week period .Such a membership would receive $25 at the end of the period, plus the earnings accumulated. A $20 a week program would pay $1,000, plus earnings. Saving is facilitated by the use of a 50-week supply of pre-dated slips given to each member. And, as Mr. Church emphasized each club account earns the same high rates as a regular savings account.

Applications for new club accounts will be taken at all three association offices in Altadena, Pasadena and Santa Ana.

Mrs. Matter Mothers' March Chairman

Mrs. John Matter, 520 Manzanita, was appointed chairman of the Sierra Madre Mothers' March on Birth Defects, climax of the January 1966 March of Dimes campaign.

The local resident will lead Marching Mothers who will call at homes on Tuesday, January 25, for contributions to support the March of Dimes' fight against birth defects.

In 1966 drivers' license numbers in Iowa will be duplicates of their Social Security numbers.

Community Health Week November 7 - 13

The week of November 7 to 13 (next week) will mark the third annual observance of Community Health Week, and the theme will again be "Teaming Up for Better Health." This will be a service of the Medical, Dental, Nursing and Pharmacy professions to further show what is necessary to give you, the patient, and our customer and friend, the best Health Care the world has to offer!

We have just read in one of the trade journals of how the SS HOPE (the ship that trains medical personnel and ministers to the health needs of the needy abroad) has to stock 100% of its Pharmacy items before it leaves its home port since there is little likelihood of obtaining supplies once it sails, whereas you and I can just phone the supplier and have our needs fulfilled in a matter of an hour or so.

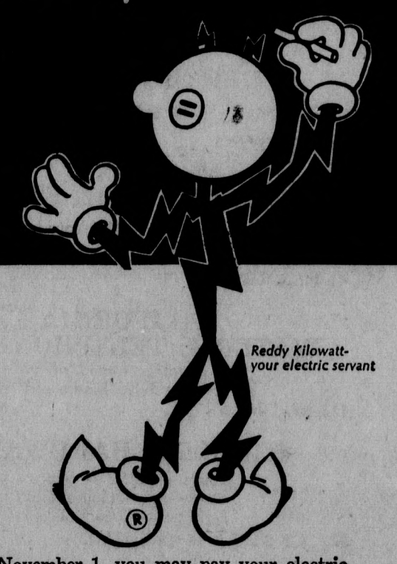

Phramacists do play an important part in the functioning of the health team, and as such we do invite your questions in our particular category . . . and we would like to remind you of a few axioms for your **better health:** "Many medicines taken internally without the advice of your physician can be dangerous — Consult your physician — Diseases HIT HARD among the unprotected — Consult your physician about immunization shots for Polio, Diphtheria, Whooping Cough and other dread diseases — Some drugs deteriorate with age — Check with your pharmacist before taking medicine that has been in your possession for a long time.

Hartman Pharmacy is here to help you on any of your pharmacy problems. Come in and see us, we are real glad to talk to you!

Editorially Speaking...

Police Brutality

Abuse of authority is repugnant to Americans. Their forebearers fled Europe to escape tyranny. A primary concern of the founding fathers of our republic was to protect citizens against tyrannical authority. So it is not surprising that there is considerable sensitivity to the recent charges of "police brutality" that have been sweeping the country as an aftermath of riots in major cities. Many wonder if the police have been guilty.

Because of the cry of brutality that has been raised against the police instead of the rioters, searching inquiries have been conducted in the most notorious trouble spots. U.S. News & World Report recently made a diligent study of the problem and has come up with highly significant findings—findings that indicate an organized technique to discredit law and order across the nation. The U.S. News study showed no evidence of any "wave" of brutality on the part of police toward citizens in the cities of the United States. On the contrary, "What research does reveal is that civilian 'brutality' against the police is being practiced rather widely." For example, the riot in Los Angeles of a few weeks ago was touched off because of an officer's arrest of a man on a drunk driving charge, yet the cry went up of police brutality to justify an orgy of looting, arson and mayhem.

There have undoubtedly been cases of brutality, but verified instances are being lost in a sea of inaccurate or trivial accounts of mishandling by police. Senate Democrat leader Mike Mansfield has decried the "loose charge of police brutality," and added, "The police are not privileged to take sides or discriminate as among laws. Their job is to uphold all laws and, on the whole, they do an excellent job of it." The question is what is brutality? As defined by some of the rioters, it becomes a grotesque insult to the intelligence of law-abiding citizens. One case cited by U.S. News tells of a brutality complaint to the Department of Justice from a Negro woman in the South who said her son has been abused for merely stealing a bag of peanuts. Inquries showed that what her son stole was a huge burlap bag full of peanuts in a trailer truck—and that he had stolen the truck, too. Then there was a stout lady who, with demonstrators, lay down in the street to resist arrest. Her complaint: "Police had not picked her up 'gracefully' in taking her to the van."

Then there are also charges of "verbal brutality" in which police officers are accused of using rough language. In Berkeley, California, in 1964, student demonstrators at the University of California staged disorders in defiance of university authorities and police. A student "Police Brutality Committee" began grinding out propaganda before the first arrest, and students were primed to start chanting brutality as soon as the police appeared on the scene. Berkeley Police Captain William Beall said, "Brutality is the first thing that occurs to people to yell when they are trying to undermine authority . . . A policeman dreads the moment when someone will yell 'brutality.' That charge robs him of his dignity. It takes away everything he's trying to do—what he believes in."

An official of the International Association of Chiefs of Police, Charles E. Moore, told the Senate Internal Security Subcommittee that the demonstrations at Berkeley were a classic example of techniques used by Communists to "destroy the public confidence in the police—when you destroy the symbol of authority and of the laws, you bring about anarchy."

The career of a policeman is hazardous at best. Unless he has the support of all law-abiding citizens, his job becomes virtually impossible as well as hazardous. FBI figures on police brutality cases that come into federal courts tell a story in themselves. Between mid-1964 and mid-1965, 1,700 complaints of police brutality were referred to the Federal Bureau of Investigation. Forty-seven such cases were presented to federal grand juries. Five cases led to conviction in federal courts. On the other hand, FBI records, as published by U.S. News, indicated that 57 policemen were murdered by criminals in 1964 alone; 197 in the last four years. The number of policemen murdered annually in line of duty has doubled since 1960. There were 18,000 police officers assaulted in 1964. That was one out of every 10 policemen in the country. In 1964, 7,738 were injured in assaults, or one out of every 24. These are figures for city, county and state police.

The trained, legally constituted police officer is our first line of defense against crime and violence. In many ways, the police force provides a rewarding career for young dedicated officers. But it is no sinecure and as the U.S. News concludes, "Prospects are that conditions for the policeman are not likely to show much improvement in times ahead."

'Irrespective of Need'

A proposal that first came to public notice a year or so ago, and then disappeared from view, has made a new appearance. It is that the federal government return a proportion of the taxes it takes from the states back to the states, so that they may be in a better financial position to meet the wants and needs of their people.

This time the proposal has substantial political support. Whether anything ever comes of it, the implications and the possibilities are worth full public consideration.

The states, and local governments, have been depending more and more on a wide assortment of federal aids. Voters are encouraged to promote all manner of local programs if Uncle Sam will pick up part or perhaps most of the chit. What isn't mentioned is that this money has to first be taken from the people—and that a substantial part of that take disappears in paying the overhead of vast and mysterious Washington bureaucracies.

Worse than the financial question is that so-called federal aid also means federal domination. So state and local rights, responsibilities and pride of purpose are gradually eroded away. In this, as in individual affairs, handouts create mendicants.

The best solution would be to end federal participation in purely local affairs. Failing that, a return of part of the federal tax take to the states whence it came might give local governments some resurgence of independence and authority that they so sorely need.

Just take, for instance, the proposal of reconstruction of the Sierra Madre Wash. In this project alone the federal government is allocated to pay $722,000. And, as is being told the people, not a cent out of your pocket. It is my bet that already over a quarter of a million has been spent on this project in engineering, planning, surveying and office procedures. And further, it is my guess that the tab for this small project, before it is completed and the final figures are completed and filed away, some time in 1967-68, will show an expenditure of close to one and a half million. Add to this Washington bureaucracies, and a pretty penny is being spent for something that is not needed and certainly not wanted.

OUT OF THE COBWEBS

Five Years Ago:
November 3, 1960

More than 10,000 are expected to vote from Sierra Madre, Hastings and the foothills; pre-election news, views and ads dominate the paper.

Members of the City Council tour the two city parks to consider new and improved facilities.

At the Recreation Commission's regular meeting, effects of the annexation of Sierra Madre's Elementary School System to Pasadena are discussed.

A memorial mural is unveiled at Veteran of Foreign Wars Hall; mural was drawn by Frank and Vicky Bowers.

Three generations are represented when Robert Tonge Jr. receives his First Class Award; his father, present at the ceremony, received the same award 47 years ago, from his Scoutmaster Edward Davey, who recently was one of 34 in the country to receive his Fifty Year Award.

California Water and Telephone Co. is picketed and 1,200 employees in the area go out on strike; this is a follow-up to extended and continued protest against rate boosts.

Ten Years Ago:
November 3, 1955

Funds for the Purchase Prize Exhibition, the most ambitious art show ever held here, are oversubscribed. One canvas will be purchased by the Library as the beginning of a permanent contemporary collection.

The PTA Carnival is the best yet, and grosses a record $1,778.

School tax action is deferred for further study; hopefully, the proposed revisions will lower the rate slightly.

The News complains that Halloween used to be all homemade.

Southern California tourist business sets an all-time record of four million visitors, averaging 4800 miles round trip for the visit.

The Wistaria Cab Co., which is also the Western Union agency in Sierra Madre, moves to a new location.

The five uranium hunters from this city stir up rumors, create legends, and arrive at Globe, Arizona, to pursue the search for precious ore, having resisted many offers to buy old mines, keeping their money and that of their grubstakers for its intended purpose.

Twenty Years Ago:
November 1, 1945

Citizens are reminded that this is the dry season and urged to plan more drills for the volunteer fire department.

The Victory Loan Drive begins and there is a Junior Red Cross membership drive.

Fr. Edwin Ronan, C.P., who went to the Philippine Islands at the request of President Quezon, speaks at Kiwanis' luncheon about his prison camp experiences after capture at Minanao, and credits Red Cross boxes which reached prisoners for their survival.

The police blotter reports troubles with a squirrel, a horse, a cat, dogs digging up flowers ,boys racing in cars, a loitering ex-husband, a weeping woman.

Harry P. Suman, founder of Suman Pottery, celebrates his 80th birthday, and Mr. and Mrs. Ray F. Stadler celebrate their 50th wedding anniversary.

The Army offers obsolete guns and tanks to replace cannons which patriots stripped from community squares for war scrap drives.

Catherine Tutle becomes third local artist to be a member of the "Women Painters of the West"; the other two, Mrs. Helen Narozny, and Mrs. Margaret Cash.

Thirty Years Ago:
November 1, 1935

A car is bombarded by oranges, but otherwise Halloween prankster damage is fairly light, despite throngs of children in the street. Maintaining 10 o'clock curfew, a few teens are obliged with a free ride home by the police patrol car.

The state produces its biggest citrus crop to date. It is believed that the Federal citrus market agreement has been helpful. One company has been experimenting with packs of canned orange juice. And the Sierra Madre Forum is told the advantages of co-operative groups, citing California fruit and nut growers associations.

Representatives of the Sierra Madre News attend the California Newspaper Publishers' Association, hear Gov. Frank F. Merriam stress the need for disciplinary economy in state business, and make a tour of Death Valley and Boulder Dam.

A banner year for building is assured for Sierra Madre as the year's total of permits zooms to $93,775.

Rev. Graeme Conlee Smith preaches from the pulpit he was raised under; it is his first talk here since being ordained into the Presbyterian ministry.

PTA membership records are broken as the drive closes.

Fifty girls compete as candidates for city's Queen and Court of Honor for Rose Parade.

Housing shortages occur as workmen on the Sierra Madre tunnel of the Metropolitan Water District Aquaduct rent homes here while completing the job; their salaries give a boost to local business.

Lecture To Be Given At Monthly Meet

"Food For Thought," a inventive cookery, delivered by Mike Costa will be the program for the afternoon when Las Companeras members and their guests gather at Flint's Gallery in Pasadena for their reguular monthly meeting.

The cocktail hour will begin at 11:30 a.m. Wednesday, November 3 with luncheon and a business meeting to follow before Mr. Costa's exciting lecture.

Magic & Music Show For Kids At Ice House

Don Davis, who bills himself as the world's greatest One Man Band ,teams up with comedian John Moon again to perform their magic and music show.

Don Davis has been captivating audiences since the 1920's with his wonderful antics. Don has a special way with children and his act is one-of-a-kind. He stands on his head and plays the harmonica, then plays the harmonica and banjo while he dances; he plays Moon River on the banjo and suddenly his banjo lights up with a moon and a river showing, and finally he winds up his act by playing seven instruments at once. Then his musical instruments begin breaking down with clouds of smoke, spring snakes, horns and bells going off as if he has finally done so much, his instruments can take no more. Don will then conduct old time community singing with a few new twists.

If that isn't enough now John Moon performs his comedy magic act with tricks backfiring, props falling apart and at one time things get so hectic he loses his shirt. He amazes the children, too, with rabbits coming out of his hat, milk disappears from a glass and appears in a lit light bulb and a live chicken mysteriously appears. John has a sparkling personality and has the children doing and saying exactly what he wants them to at all times. His command over a large audience is truly amazing.

All these at the Ice Houss in Pasadena October 31 and November 7, at 2 p.m.

Flournoy Given Big Honor

Assemblyman Houston I. Flournoy (R-Claremont) has been named "Republican of the Month" by the California Republican League, it was announced today by William P. Gray.

The League said Flournoy was "recognized as one of the most knowledgeable and effective legislators in Sacramento.

"During the 1965 session, Flournoy served as chairman of the Republican caucus sub-committee which presented a comprehensive GOP program aimed at finding positive solutions to problems facing California in unemployment, jobs, and technology. Flournoy's articulate and aggressive leadership is indicative of the GOP's new look in the California Assembly."

The Assemblyman is currently serving as a member of the Assembly committees on education, water, finance and insurance, and reapportionment. He began his political career in 1955 as Legislative Assistant to United State Senator H. Alexander Smith of New Jersey.

Rush Hour Driving Tip

Peak rush hour drivers should try to relax a little while driving, for it's the tense driver who is the most accident prone. In the heavy nerve-racking traffic of rush hour periods the driver must keep alert at all times, but at the same time he should try to keep calm and relaxed.

Oil companies began issuing their first road maps in 1914.

May Be Investigated

Senator Rees Slaps At Insurance Company Abuse

by Senator Rees

"Unless there is an end of abuses by fire and casualty insurance companies in discriminatory cancellation of insurance policies and the sky-rocketing of insurance rates, it might be necessary for the State of California to step in and establish some type of assigned risk program," said Thomas M. Rees in a speech to the state convention of the Independent Insurance Agents Association of California now meeting at the Biltmore Hotel in Los Angeles.

"The insurance companies are not being fair to either the insurance-buying public or to their own insurance agents. Their arbitrary policy can only result in some type of state program. My own feeling, though is that state interference is not needed if companies could change their present policies.

"There have been two flagrant examples of arbitrary increases. The most recent have been a rash of cancellations of fire and casualty insurance on homes and businesses in and near the Watts riot area. I have seen cases where insurance rates have leaped as much as 1200 per cent and have a large file of individuals who have been arbitrarily canceled out, both against the protest of the insurance agent and the property owner.

"We must realize that if a property owner is refused property insurance, the loan on the home is placed in jeopardy and could result in a forced sale of the property. A businessman finds it extremely difficult to operate without fire and casualty insurance and when rates are increased as much as 1200 per cent, it means that insurance is being priced out of the market.

"The first rash of arbitrary and wholesale cancellations came after the Bel Air fire. Practically all homes in and near the Santa Monica Mountains were reassessed and, in my own case, my insurance was not renewed and the insurance I was offered not only drastically increased the rates but gave me far less coverage. This

New Residents Of Sierra Madre

Sierra Madre is happy to welcome these new residents to the city. Some are newcomers to the community, others have purchased homes and moved their desidence. They are:

George J. Dollar, 168 E. Sierra Madre; Bill Burke, 118 E. Highland Ave.; Mary Young, 371 N. Mountain Trail; W. Kenneth Bodges, 1935 Vista Ave.; John D. Olt, 717 W. Grand View Ave.; Donald L. Jacobsen, 523 Sierra Keys Dr.; Linda Broderick, 84½ W. Laurel Ave.; J. G. Donoghue, 262 W. Grand View Ave.; Bill Allen, 406 Auburn Ave.; James Stacy, 584 Acacia St.; James V. Palmer, 496 Sierra Keys Dr.; Mona Albrecht, 313 Ramona Ave.; Kenneth D. Taylor, 333 Sierra Woods Dr.; Clotilda A. Schael, 2035 Vista Ave.; R. Robert Evans, 712 Camillo.

James U. Lemke, 475 Fairview Ave.; Jay Tressen, 111-F E. Highland; Robert Ansara, 511 Fairview Ave.; Dr. Owen W. Morgan, 332 Sierra Woods Dr.; William H. Kemp, 44 W. Bonita Ave.; Milan Merhart, 171 Colony Dr.; Fernando Aguilar, 281 Santa Anita Ct.; George Brundage, 183 E. Laurel Ave.; Sandra Fulton, 425 Pleasant Hill Ln.; Cleve K. Bolgrien, 810 Canyon Crest Dr.; Don Danielson, 516 N. Michillinda Blvd.; Rod McNall, 350 N. Lima St.; Robert Crew, 95 Olive Ave.; Herbert O. Walters Jr,. 500 Santa Anita Ct.; Edgar G. Hardman, 470 E. Highland Ave.; Luther Jensen, 2073 Liliano Dr.; Robert Elder, 651 Woodland Dr.; Melvin Seatin, 522 E. Sierra Madre Blvd.; L. Dale Green, 144 Oak Meadow Rd.; Walace Harff, 327 Sierra Woods Dr.; Albert Metzger, 380 Olive Tree Lane.

Early Appearance For Santa At

Santa Claus will make an early appearance in Arcadia on Thursday, November 4, for the seventh annual Festive Fare. The fare, sponsored by Arcadia Branch, American Association of University Women, will be held at the Los Angeles Turf Club, Santa Anita Park, from 10 a.m. to 9 p.m.

The theme of this year's fare is "Santa Visits Festive Fare," and St. Nick plans to make his arrival a memorable one. Deserting his traditional reindeer and sleigh, he will land in a helicopter at Arcadia City Hall at 10:30 a.m.

From City Hall to the Turf Club he will be delivered by a landau, driven by a costumed coachman and drawn by four elite English Hackney poinies. Mrs. Claus and Mrs. Rosemary Gartner, Fare chairman, will accompany Santa. The public is invited to be at City Hall or at the Turf Club to welcome him when he arrives.

Santa will spend the entire day at the Fare, greeting area residents who come to view the exciting and varied displays prepared by Arcadia merchants. Gifts of all sizes, all prices, all colors—gifts for every member of the family, and decorating and entertaining ideas for every holiday occasion will be on view. Almost every type of business will be represented. No mercahndise will be sold at the Fare. This is a day for "winlowshopping" only.

Children will be given a special welcome form Santa. Seated on his throne in the foyer of the Turf Club, he will "lend them his ear" for their first chance of the season to inform him of their Christmas wishes.

No admission will be charged; coffee and mints will be served, with candy canes for the children.

All proceeds from the Fare go toward the Association's Fellowship Fund, which enables women to pursue graduate studies, at the doctorate level and beyond. The public can assist this worthwhile educational program by attending Festive Fare.

Mrs. Ray Swanson, branch president, urges all area residents to share in this festive and unique community holiday event.

PEPTONE
by Deedee & Alice

If you are wondering why the Walker Bros. new song has so much get up and go, this might be a logical explanation: Scott went to plug something in the other day when suddenly he found himself on the other side of the room. Something must have been wrong with his electricity and the thing just exploded.

Gary, more commonly known as "bowl-head" because of his pudding basin hair cut, used to be a drummer for P. J. Proby. He also has about three hundred girl friends.

John, the Californian, sometimes gets homesick for the old state and comes back to visit for a day. He is the only married member of the group, as of a few months ago.

Gary and Scott seem to like mirrors. In their flat at Chelsa their bedroom alone has 15 of them.

Most big groups don't particularly have any favorite plants but the Walker Bros. aren't most any group. As a matter of fact, they have an aspidistra in their flat. (I'd love to see this flat, it must be quite a sight.)

When the boys visit the London Zoo, they would never leave without saying "Hi" to the armidillo. It seems that this particular one has taken a liking to them. (That isn't hard to understand).

Well, as the Walker Bros. would say, "It's ta-ta time."

* * *

Want a good group for your part yor dance or want to know something about your favorite singer or singing group? Send a postcard to "Deedee and Alice," in care of the Sierra Madre News.

Women's Unit of Dental Society Meet November 16

The November 16th meeting of the Woman's Auxiliary to the San Gabriel Valley Dental Society will be at 11:30 a.m. at the Assistance League Community House in Arcadia. "What Your Dental Health Education Dollars Are Doing" will be presented by Dr. John Foster, Department of Health and Science, San Fernado State College.

This year the Woman's Auxiliary will be sponsoring a course in Dental Health Education from U.C.L.A. Extension. It will be held at the Calvin Coolidge Elementary School, 421 N. Mission Drive, San Gabriel. There will be a total of 12 weekly lectures on Monday evenings. Two units of university credit will be given and the cast is $30 This Dental Health Education course is designed for teachers, administrators and school nurses who are interested in furthering dental health in the schools. About 30 scholarships will be available.

The puppet shows have been quite a highlight to the children of the elementary schools in this area.

Please contact dental chairman, Mrs. William F. Arnett, if interested in any of these projects,

Local Auxiliary Crippled Children Plan Luncheon

The monthly luncheon meeting of the Sierra Madre Auxiliary to the Crippled Children's Guild of Orthopaedic Hospital will be held on Thursday, Nov. 4, at 10:45 a.m. at 223 E. Huntington Drive, Arcadia. Guest for the event will be Miss Billie Thompson, volunteer coordinator of the hospital, who will welcome the new provisional members and give orientation instructions to the group.

In cooperation with Community Service Plan, the auxiliary is collecting gift stars for a Bird Mark 4 anesthesia respirator for the recovery room. Gift stars are available in the following products: Gerbhardt's Mexican Foods, Golden Grain Macaroni Products, Sue Bee Honey, Hunt Foods, Lays Potato Chips, LaCoy Chinese Foods, Meadow Gold Dairy Products, Ralston Cereals, Rorarita Mexican Foods, Tetley Tea, Van Camp Tuna, Old Gold, Spring and York Cigarettes and many other products.

Benefit Concert To Be Held

Two distinguished artists, Alice Ehlers, harpsichordist, and Eudice Shapiro, violinist, will be presented in a Scholarship Benefit Concert by the Pasadena Alumnae Chapter of Sigma Alpha Iota on Sunday, Nov. 7, at 3 p.m. in the Wilson Junior High School Auditorium, 300 S. Madre, Pasadena. The program will consist of 17th and -8th Century sonatas by Mozart, Bach, Haydn and von Biber.

One of the many projects of Sigma Alpha Iota is to aid young talented musicians. The Pasadena Alumnat Chapter has given scholarships amounting to over $3,500. The applicants are drawn from collenges in Southern California and auditioned by a board of review. The winners are presented in concert.

Member patronesses of the concert are Mmes. Marvin D. Kahn of Sierra Madre and F. Wayne Furstenberger of Altadena.

County Ranks 38th

Tax Payment Up 7.9% In Los Angeles County

At tax bill time, a study by California Taxpayers' Association points out that taxable assessed valuation in Los Angeles County this year reached $14 billion 313 million, up sharply during the five years from the 1960-61 total of 11 billion 688 million. On a per capita basis, the five year change was from $1,936 in the county in 1960-61 to $2,088 per capita in the current 1965-66 fiscal year, an increase of 7.9 per cent.

The statewide total taxable valuation of property in all 58 counties increased from $29 billion 601 million in 1960-61 to $39 billion 464 million in 1965-66, an increase of $9 billion 863 million.

The Association study pointed out that the county ranked 38 from the highest in a listing of the 58 counties throuhout California. The statewide average per capita assessed value was $2,121 in 1965-66, an increase of $238 over the $1,883 calculated by the Association for 1960-61 or an increase of 12.6 per cent.

The per capita assessed values in the big counties with more than one million population are: Los Angeles $2,088, San Diego $1,679, Orange $2,194, and Alameda $1,759.

The greatest percentage increase since 1960-61 in per capita value occurred in San Mateo County with a five-year increaseof 44.8 per cent. Following close behind are Marin County with 42.9 per cent, Sacramento County with 37.5 per cent and Sutter County with 30.7 per cent.

Decreases in per capita values are shown in the study for eight counties: Fresno, Kings, Lassen, Plumas, San Benito, Sierra, Yolo and Yuba.

Tax bills mailed to the taxpayers for the November first due date are the result of spending programs approved by boards of supervisors, city councils, school boards and special districts, the tax association points out. The taxpayers can do little now but pay the bills for the costs of government. They can best protect themselves during budget-making periods when spending programs are being developed.

Check your tires often for proper inflation pressure.

Lesson Theme 'Adam and Eve'

Scriptural readings on Adam and Eve and Cain and Abel are examined in Christian Science church services this week. The subject is "Adam and Fallen Man."

The Golden Text is from Ecclesiastes: "Lo, this only have I found, that God hath made man upright; but they have sought out many inventions."

A theme of redemption is brought out in some passages to be read from the Christian Science textbook. "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models would allow — thoughs which presented man as fallen, sick, sinning, and dying" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 259).

Roger Keith Denver Student

A Sierra Madre resident, Roger Keith, 310 N. Sunnyside, is one of 365 Californians enrolled this fall at the University of Denver.

About 7,900 students are enrolled at the 101-year-old University of Denver, largest private university in the Rocky Mountain region. All 50 states, several U.S. territories, and 49 foreign countries are represented in the current registration.

Annual Meet At Faith Lutheran

The annual election and budget meeting of the Voting Astsembly of Faith Lutheran Church, 845 Hasting Assembly of Faith held at 2 o'clock on Sunday afternoon in the parish hall. With president Marcus Silvera conducting the assembly, Robert Harbur will present the nominating committee's slate of officers, and Walther Koenig the budget as proposed by the fiscal department.

In the 9:15 session of the Sunday school, the Book of Ruth will be considered. Bible classes for the junior and senior high, for college and adult groups will also meet during this hour.

In the 10:30 Sunday worship service, the Rev. Armin Hesse will continue his pulpit series on the First Epistle of Peter, speaking on "Aiming to Glorify God Through Jesus Christ." The Junior Choir will present Luther's "Lord, Keep Us Steadfast In Thy Word."

At 2 in the afternoon, the young people of the Walther League will participate in the youth rally to be held at the Highland Park Lutheran Church. Centering on the theme, "A Christian's Perspective of Civil Disobedience," the Leaguers will be addressed by Inspector Fisk of the Los Angeles Police Department.

In the 7:30 Midweek Bible Hour on Wednesday evening, the pastor will speak on and illustrate the Apostle Paul's final missionary journey. The ladies of the Lutheran Women's Missionary League will convene in the parish hall on Friday morning, November 12, at 9:30 a.m.

Rev. Barnhart Announces Guest Speaker

Adela Rogers St. Johns will be the guest speaker at The Santa Anita Church, 226 West Colorado Boulevard, Arcadia, Sunday morning, November 7, at both the 9 a.m. Family Worship Service and the 11 a.m. Regular Worship Service. Her subject will be "I Extend Peace Like A River."

One of the most celebrated newspaper women of the twentieth century, author of scores of short stories, novelettes and serials for popular magazines, Mrs. St. Johns will be welcomed by her many friends in this area. Her appearance on television shows has also brought her national fame and made her dear to the hearts of millions of people. She is giving us the only Sunday she will be in this vicinity.

Mrs. St. Johns ,great author and great woman, has just finished her new novel, "Tell No Man," destined to be one of the great books of our time.

The public is invited to arrive early to each service. Child care is provided.

All youth are welcome to our graded classes in spiritual education for youth from kindergarten through high school conducted at 9 a.m. An important part of this activity is worshipping with the parents in the sanctuary the first fifteen minutes of the Family Worship Service at 9 o'clock a.m.

Weekday activities include a Thursday morning 11 o'clock class for women. This class in Spiritual Therapy is conducted by Dr. Barnhart in the Chapel of Inspiration. All are welcome.

The solution to every problem is known to God. Call 447-6162 for prayer, day or night.

Writers Meet

Monday, November 15, at 11:30 a.m. the Shakespeare Club's department of Poetry and Creative Writing will meet in Stratford House. Miss Nettie Wicklund and Miss Florence Swindell will be hostesses. Miss Margaret Hookway will give an account of the Modern Short Story. Original poems and articles will be read by members. Miss Florence Swindell, director.

ATTEND CHNRCH THIS SUNDAY
Make It A Weekly Habit

Bethany Church News

Almost 25 of the Sunday school staff members of Bethany Church of Sierra Madre will attend the 14th annual Greater Los Angeles Sunday School Association (GLASS) Convention at First Baptist Church in Van Nuys this weekend, November 4-6. John Kershaw, superintendent of the school, located at 93 North Baldwin, announced that this is the largest delegation the church has sent to the convention in recent years. Outstanding speakers include the host pastor, Dr. Harold Fickett, Dr. Howard Hendricks of Dallas Seminary in Dallas, Texas, and Dr. Charles Blair of Calvary Temple, in Denver, Colorado.

The two day convention includes age-graded and specialty workshops and seminars throughout the day with larger gatherings in the evening to be held in the new 1½ million dollar sanctuary of the host church. Dr. Robert Schaper, pastor of Bethany Church serves on the GLASS Board.

Dr. Schaper will preach on the theme, "Let Us Then Be Up and Doing" at the 11 a.m. service on Sunday, November 7. The evening service at 7 will include a communion service and reception for over 200 new members recently welcomed into the congregation.

Bethany Church is an independent congregation affiliated with the 10 million member National Association of Evangelicals .Schaper, now in his twelfth year as pastor, welcomes every visitor to any of the services of the church. He states, "Because of the capacity crowds at the services, Bethany Church is introducing a duplicate worship service at 8:30 a.m., beginning on November 21. Sunday school will then begin at 9:40 a.m. I hope that this added convenience will make it possible for more people to worship with us. All are welcome."

Work Meet

Thursday, November 11 at 10 a.m. the Shakespeare Club's Philanthropy Department will hold a work meeting in Stratford House. Mrs. G. G. Brubaker, welfare chairman, Mrs. Marvin E. Nesbit, director.

10,000 REASONS WHY...

There are 10,000 reasons why you should be on your guard for "bad" sore throats. They are the 10,000 children who contact Rheumatic Fever every year. If someone in your family gets a serious throat infection, make sure he is examined by your family doctor. If diagnosed in time, your doctor can usually cure this strep infection with antibiotics before it can cause heart damage.

If your doctor prescribes for you, rely on us to fill your prescription accurately and promptly.

Comedy To Be Presented November 8

November 8, at 7:30 p.m. in the cafetorium at Sierra Mesa School 160 N. Cañon, Sierra Madre, the Friends of the Sierra Madre Library will present "Genevieve."

A delightful comedy is this commemorative run from London to Brighton in two vintage automobiles. It is the social event of the season for Veteran Car Club members Gregson and Moore's date, the willowy model Kay Kendall. The girls' worst suspicions are confirmed when Gregson and Moore challenge each other to a race, with a purse of 100 pounds sterling to the winner.

From then on it's a merry chase with bobbies, shepherds, youth hostelers, an expectant father, a dented sports car and a neurotic St. Bernard in hot pursuit.

Motorcycles

Popularity of motorcycles and motor scooters in the United States has increased by 31 per cent over last year. 1965 registrations are expected to reach 1.3 million.

Clean Windows

Drivers should keep their car windows clean at all times. A dirty window could lead to an accident.

Defensive driving will always pay

Villa Views

By Toni Maurin

SYcamore 7-6934

Exactly ten years ago on this day, I sat down at my ancient typewriter to write the first trial balloon that was to become "Villa Views." It was with a great deal of trepedation that I submitted it to the editor of the day, Harry Elwood, to see if he would approve of my "style." Approve or not, he allowed me to continue as a little space filler. He sold the paper after that, and the new editor, Ed Hurwig, not wanting to make too many changes all at once, forgot to give me my walking papers. When he sold the paper to Bob Evans, Bob thought I was a part of the deal, along with the presses; besides, I always get my copy in on time, so one week at a time it has become ten full and rewarding years.

(Lino operator's note—I set up the first one and many others and have been a part of each deal—P.F.)

It has been fun to share my family life with you, to tell you of my children, and of my gripes and praises as they happen to strike my fancy. It has been fun just sitting down and chatting with you in my weekly output, and you and the editor willing, I'll just go right on plugging it out till someone yells stop!

Editors Note—Glad to have my attention called to this worthy effort—Your mother, sister and four children have all called in to let us know they cannot get along without this weekly contribution. Husband Earnie also says he would appreciate the cantinuance — So, what does any of us have to loose?

* * *

Normally, from here on out I try to share a little of other people's social gatherings, trips, or news, but this week for the first time I am unable to write this type of a column.

This one week I want to write in behalf of hundreds of people from all over the valley area who have suffered every day with the family of young Russ Laufer as he fought the battle for his life in St. Luke Hospital for ten days.

He lost the battle for his life on October 17 after miraculously surviving a monumental charge of electricity that passed through his body when he tried to retrieve a football from an Edison Company sub-station enclosure in the Altadena area.

Russ, formerly known as Arthur, was the son of Dr. and Mrs. Arthur Laufer of 1260 Sierra Madre Villa. His brothers are John and Chris.

Although he was only with us for 15 years, he had endeared himself to hundreds of young people with a generous sharing of his music. He had been a member of several young musical groups and had shown an unusual talent with his electric guitar. He was an outstanding student in school and had earned a place on the honor roll.

We could not all call and let the family know that we were sharing their grief and loss nor could we intrude on their privacy, but they might find some small comfort in knowing that they were not alone.

Dennis Ower Promoted

Dennis W. Ower, son of Mr. and Mrs. Albert J. Ower of 481 Mariposa Ave., Sierra Madre, Calif., has been promoted to airman first class in the U. S. Air Force.

Airman Ower is an aircraft crew chief at Bentwaters RAF Station, England. He is a member of the U. S. Air Forces in Europe, America's overseas air arm assigned to NATO.

The airman is a graduate of Pasadena High School.

His wife, Linda, is the daughter of Mr. and Mrs. Robert Osterman of 1911 Alice St., Santa Cruz, Calif.

Opens November 14

Rose Lovers Invited To Enter Thanksgiving Show

Local rose lovers were invited recently to enter their prize roses and to attend one of the nation's largest rose shows, the seventh annual Thanksgiving Rose Show, scheduled Nov. 13 and 14 in the "Pageant of Roses Garden" at Rose Hills Memorial Park.

The show in past years has drawn more than 1,000 cut flower and rose arrangement entries from three states, according to R. L. McNitt Jr., Rose Hills president. It is staged jointly by Rose Hills and American Rose Society members living in the Pacific Southwest District.

John vanBarneveld, A.R.S. district director, has emphasized that there is no entry or admission fee, since the garden at Rose Hills is an official A.R.S. display and test garden. Open to the public without charge daily throughout the year, the garden contains thousands of rose bushes of more than 400 varieties.

"A.R.S. members will be at the show to help entrants identify their roses properly and place them in the right class," vanBarneveld continued. "This way, a rose can be entered even if its owner doesn't know what variety it is."

Entries should be delivered to the garden between 7 and 10:30 a.m. on Saturday, Nov. 13, vanBarneveld said. More than 30 of the West's leading judges have agreed to judge the show, he said.

The show will be open to the public from 1 to 5 p.m. that same day and from 9 a.m. to 5 p.m. on Sunday, Nov. 14, with ample free parking available nearby, he added.

To encourage amateur rose enthusiasts to enter blooms in the show, Rose Hills offers a special award, a one-year membership in the American Rose Society, to any blue ribbon winner who has never been a member of a rose society, McNitt said. Other show awards include 18 trophies, many prizes and hundreds of ribbons. There are more than 150 horticultural and arrangement classes.

Purchase orders for $10 worth of rose bushes are offered by Rose Hills to winners in numerous classifications, McNitt said.

In the rose arrangement competition, the awards will include valuable flower arranging stands and vases.

McNitt said complete details regarding awards and classifications are given in a rose show schedule which may be obtained free of charge by telephoning, writing or visiting Rose Hills.

The Irish Rovers Hiding Out At Ice House

Flash — The Irish Rovers are hiding out at the Ice House - Pasadena, cleverly disguised as rollicking, singing Irishmen. Word has it that The Irish Rovers have absconded with the Blarney Stone and will be here four weeks from Nov. 2 to plan their next move. They are hiding the pieces about their person. Will has a bit of it on his watch fob, and George has his cavities filled with it. Joe has the dust from it in his beard, and cheeky Jim is sure to have most of it in the stein attached to his right hand.

The Rovers were a hit at the Glendale Ice House in June and are returning from a successful tour of San Francisco clubs, including "The Purple Onion." They have their bags full of new shenanigans, plus more of the melodies from their homeland. They'll be here till Nov. 28. Both Superman and Captain Marvel are after them.

Peter Evans, RCA-Victor recording artist, seconds the bill, ably aided by his fingers fantastic on the Spanish guitar. Mr. Evans is the foremost flamenco guitarist in the folk circuit, having studied in Madrid, and his digital dexterity has brought "ahs" from Ice House audiences. He will be here the entire month. His fingers never leave his hands.

"I've never seen a teddy bear play a guitar!" "He's by Mattel, he's swell" describe lovably rotund Fats Johnson, who sings very well, is fildly funny, and is a delight on any stage. He'll keep things rolling in Pasadena through November. He's made entirely of India Rubber and springs.

Soccer Offered In Sierra Madre

The Sierra Madre Parks and Recreation Department, in co-sponsorship with the American Soccer Organization will be providing a soccer experience for those boys in the community of age 13 years and under director Dick Dodge anounced today.

Soccer clinics will be held on Saturday mornings from 10 a.m. until noon, at the Sierra Mesa School soccer field. The only equipment necessary is gym shoes. Registration will take place at the clinic and proof of age is required.

The clinic will start November 6, and run through February, 1966. Teams will be organized, and the children will play within the community. This is a great opportunity for the boys of Sierra Madre to enjoy the world's most popular sport.

No matter how big or small your boy is, he can play soccer on an equal standing. This is a sport for all sizes and a physical fitness leader in the sport field.

Further information about the American Youth Soccer Aossociation may be obtained from George Gilmman, 573-1749 or Trevor Tooze at 355-6279.

Additional information regarding the Sierra Madre Youth Soccer, can be obtained from Dick Dodge, 355-7135.

The only charge will be for insurance.

Interviews Reveal Local History At Historical Society

Interviews with well-known Sierra Madre citizens concerning the history of this locality will be presented by the Sierra Madre Historical Society. The interviews recorded by Mrs. Nelle Vieira will be heard at the fall meeting of the Sierra Madre Historical Society on Saturday, Nov. 6, at 2 o'clock at the Woman's Clubhouse, 270 W .Sierra Madre Blvd.

There will be an election of officers for the coming year with a slate read by Mrs. Helen Hill, the chairman of the nominating committee.

Mrs. Randolph Wood, the program chairman, will announce this program: news items from the local newspaper 50 years ago, by Mrs. Gladys Carter; movies of early Sierra Madre by Miss Clara Sykes; Mrs. John Maddov will discuss the future of Sierra Madre.

The arrangement committee includes Miss Clara Sykes and Mr. Roy Pickett. The refreshment committee is Mrs. Maybelle Barker and Mrs. Converse Twycross.

This meeting is open to anyone interested in the past or present of Sierra Madre. Newcomers to the community are especially welcome. For further information, telephone the president, Mr. Raymond D. Andrews, 335-9588.

Senator Rees Slaps

has happened to hundreds of homeowners and, again, I have in my file the specific cases of arbitrary cancellations and failures to renew. These cancellations are happening now — four years after the Bel Air fire and at a time when the City of Los Angeles and homeowners have spent thousands of dollars in improvement of firefighting facilities and the clearing of brush areas

"Let me remind you again that the inability to purchase insurance makes it nearly impossible for a person to own a home anywhere near what the companies classify as a brush area. I believe all property owners realize that if they do live in a higher risk situation their insurance rates because of this will be increased. But I certainly do not believe that arbitrary cancellation, failure to renew and 1200 per cent increases are warranted by the added risk. The result is that those sincere companies that want to do a job are taking more and more higher risk because of the tendency of too many companies to arbitrarily eliminate these risks from their portfolios. This shortsighted policy can only result in the state coming into the picture as they did in the area of automobile insurance with the establishment of the assigned risk program.

"I would suggest to the fire and casualty insurance companies that they reassess their policy and would also suggest that they have some talks with their independent insurance agents and brokers who, I know, are familiar with the local situation."

Elementary School Menu

35c Tray Lunch
Nov. 8 - 12, 1965

Monday — Chopped steak gravy, mashed potatoes, crunchy carrot cubes, peaches, buttered yeast biscuit and milk.

Tuesday—Hamburger and fixings of tomato and lettuce, buttered peas, plums or prunes and milk.

Wednesday — Chili beans, spinach, red grapes, ice cream cup, corn bread and butter and milk.

Thursday—HOLIDAY.

Friday — Cheese and tomato spaghetti, deviled egg, buttered corn, crisp celery sticks, cherry sauce, French bread and butter and milk.

Republican Club Of Arcadia Plan Shopping Day

Although the members of the Arcadia Republican Women's Club bear no resemblance to the elves of legendary fame associated with being Santa's helpers, they have been busy for the past months fabricating items guaranteed to please the most critical Christmas shoppers.

Shopping day will be November 10 at the Masonic Temple, 50 Duarte Rd., with sale hours following a short business session scheduled for 10 a.m. Selling, open to the public, will continue until 4:30 p.m.

Gourmet items, to please the epicurean tastes of the most fastidious, have been prepared under the guidance of Mrs. Charles Gutheil.

The decoration committee, headed by Mrs. A. E. Stevens, has achieved the ultimate in decorative accessories.

A white elephane sale conducted by Mrs. Douglas Moline promises a wide range of gift ideas.

Mrs. Jessie Guyer, knitting chairman, will display her wares alongside those of sewing chairmen, Mrs. H. W. Davidson and Mrs. H. B. Garretson.

Mrs. H. E. Lewis, coordinator of the projects, suggests that November 10 is the ideal date to do your Christmas shopping early.

Mrs. E. C. Rhodes, club president states that proceeds from the sale will be used in community civic endeavors of the group.

Basketball Program Now On

Sierra Madre Recreation Department's basketball program started Tuesday, November 2, at the Sierra Madre Congregational Church, 170 West Sierra Madre Blvd.

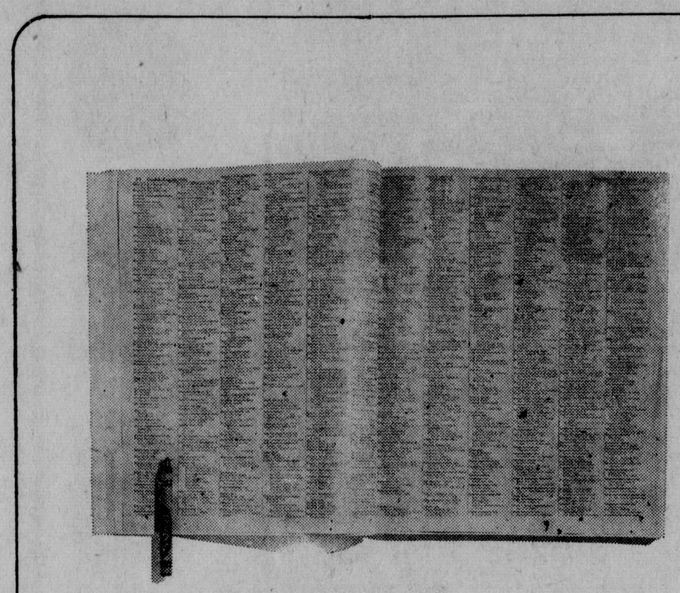

The program will be run by Doug Delahooke for all those people of all ages who are interested in physical fitness through basketball activities.

The gym will be open Tuesday nights from 6:30 until 8 continuing until May, 1966.

There is no charge for participation, all that is necessary is your participation in this activity.

For further information call Dick Dodge, director of Parks and Recreation 355-7135.

These are the new INDEX PAGES in your 1965 telephone directory.
{COLOR THEM GREEN}

When you're shopping for an item or a service, the Green Index will give you the right heading or headings to look under in the Yellow Pages. (Everyone knows what the Yellow Pages are for!)

For example: under Food Markets, in the alphabetical listing of the Green Pages, you'll read "SEE GROCERS." Listings in light type simply mean the heading you want in the Yellow Pages is worded *exactly the same.*

This new index is one tangible way of showing that your convenience in phoning is our constant concern. We think you'll find it a great time-saver. And Green is *so* restful on the eyes.
